

## PEACE HOPES DIMMED IN SHIP TIEUP

TRUCK STRIKE  
PINCHES FOOD  
IN NEW YORKCHAIN STORES AND  
BAKERIES FACE  
SHUT-DOWN

New York, Sept. 9 (AP)—An acute shortage of food and possibility of the lay-off of thousands of industrial workers loomed today in the metropolitan area as a result of the intensification of the week-end strike of 25,000 truckmen.

A prediction of the complete shut-down of chain store outlets by tomorrow and the closing of bakeries by the end of the week, plus suspension of operations of a large sugar refining company, highlighted developments.

W. M. Byrnes, president of the Eastern Division of the Great Atlantic and Pacific Tea Company, said this afternoon that if the strike continues all of the 500 A & P stores in the New York area would close at the end of next Saturday's business because "there will not be enough food in our stores to continue operating."

He added the 8,000 employees in the retail stores and warehouses would be paid during the layoff.

**Union Won't Negotiate**

Mayor William O'Dwyer placed blame for the general situation on the union, Local 807, International Brotherhood of Teamsters (AFL), saying "the trucks would roll in an hour" if the union would negotiate with motor carriers. He maintained the city's supply of food and medical necessities was "adequate."

The mayor announced late today that 2,000 new policemen would be placed on duty within the next week as a result of the emergency created by both the trucking strike and a walkout of AFL seamen.

Asked if he expected to assign any of the new patrolmen to trucks for movement of vital commodities, O'Dwyer replied: "No such plans are contemplated."

Evidence of intensified union activity was seen in the stopping of trucks on the Boston Post road, in the Bronx. Previously striking truckers had halted only trucks entering the city through the Holland tunnel.

A spokesman for a major chain store, who declined use of his name, said 2,000 outlets would be forced to close tomorrow because "you can't sell what you haven't got."

**Thousands To Be Idle**

A spokesman for the New York State Food Merchants Association said independent stores were in the same position.

Ralph Ward, president of Drake Bakeries, Inc., and chairman of the American Bakers' Association, said most large bakeries were down to one week's supply of sugar, and would have to close when that was gone.

He said a shutdown would affect 25 large firms and hundreds of small ones and would mean a layoff of "many thousands."

The National Sugar Refining Company suspended operations at its Long Island City plant. The firm, which claims to be the largest processor of the Metropolitan area, said 1,000 men were affected.

Mayor O'Dwyer said he personally guaranteed the city's food supplies, despite the fact the union rejected yesterday his compromise settlement plan, refusing even to vote on it.

The mayor had suggested an 18½ cent hourly wage increase. The union seeks a 30 percent increase and the operators have offered a \$3 weekly raise.

UNRRA Aid  
To Yugoslavs  
Not Cut Off

BY GRAHAM HOVEY  
Washington, Sept. 9 (AP)—The United States government made it plain today that it will not intervene to halt UNRRA shipments to Yugoslavia because of the forced crashes of two American planes in that country last month. UNRRA officials also indicated they expected to go ahead with shipments to Yugoslavia of relief and rehabilitation supplies—including some steel rails originally earmarked for China—as soon as ships can be loaded.

Thus officials of the United States and UNRRA indicated they wanted to keep international relief and rehabilitation separate from this country's differences with Marshall Tito.

Somewhat in contrast to the position of the state department and UNRRA, the War Assets Administration has decided that 16 ice-making machines, crated and marked for Yugoslavia, will remain in this country if anybody is interested in buying them.

Spokesmen for WAA reported that the machines "have been frozen" in a surplus depot at Cincinnati, Ohio, for three weeks and have been readvertised for sale in this country.

In replying to Bridges and Ryan, a state department press officer told reporters the government believed "proper action" had been taken in the planes incident which cost five American lives.

He recalled that Marshall Tito had formally apologized and given assurances that American planes would not be shot at in the future.

TWO PAIR WED  
BY TELEPHONEFormer GPs And Girls  
In England Married  
In 8-Minute Call

Tusculum, Ala., Sept. 9 (AP)—An eight-minute telephone call from Tusculum to Leeds, England, today served to unite in holy wedlock two former GPs and the "teen-aged British girls they courted while overseas."

Three telephones were used on the American end of the ceremony—one for each of the grooms and the other for the officiating minister. About 35 persons witnessed the proceedings, conducted in a hotel lobby here.

The former soldiers are George W. Strange, 24, and Verne Griffith, 28, both of Florida, Ill.

Strange, an oil field worker, was wed to Edith Davies, 18, of Coventry, a former member of the English Women's Land Army. Griffith, a farmer, pledged his troth to Audrey Mawson, 19, of Leeds, a clerical worker.

Griffith's bride said "I will" twice and promised "to love and to cherish." Her father placed the ring on her finger.

The mother of the other bride substituted for Strange when the time came to seal the marriage with a wedding ring.

The two men said they came to Alabama for the ceremony because it is one of few states which recognize such marriages. They split the telephone charge of \$32 plus \$8 tax.

They are hoping, they said, that their wives will be able to sail for the United States Oct. 16 on the liner Queen Elizabeth.

General Assembly  
Of U. N. May Be Put  
Back To Oct. 23

BY LARRY HAUCK  
Lake Success, N. Y., Sept. 9 (AP)—Secretary-General Trygve Lie tonight recommended to the 51 United Nations that the general assembly be moved to Oct. 23 as suggested by the foreign ministers council after receiving assurances from the big powers that they would not request a third postponement.

Lie said the final decision would be in the hands of the members, with a majority vote prevailing. He set a Friday deadline on the replies.

Earlier the secretary-general had said he would withhold circulating the members until the guarantee had been received from the ministers council and it was understood that such assurances were given to him tonight in a telephone call from Paul-Henri Spaak of Belgium, assembly president, who is attending the Paris peace conference.

**WEDDED AT 80**

Albuquerque, N. M., Sept. 9 (AP)—Eighty-year-old Charles Alton, of Burlington, Iowa, and Mary L. Ingram, 77, of Kirkwood, Ill., were married today by Justice of the Peace W. T. Harris.

BLASTS ROCK  
JEWISH CITY  
OF TEL AVIVTERRORISM BREAKS  
OUT AGAIN; TWO  
DIE IN ATTACK

BY JOSEPH C. GOODWIN  
Jerusalem, Sept. 9 (AP)—Two police officers were killed and six other persons injured tonight in a series of explosions which blasted a public building and railway installations in the all Jewish city of Tel Aviv, as a new outbreak of terrorism swept through the Holy Land.

A British communiqué said that the blasts, which coincided with the opening in London of conferences on the future of Palestine, were touched off by armed gangs of Jews.

All of Palestine was placed under a virtual state of siege, and a strict curfew was imposed. Private vehicles were forbidden to use highways. Railway service was crippled after tracks were cut or blasted in more than 50 places.

**Wife Trapped**

A British major and a police guard were killed in the Tel Aviv blast, and one British officer was reported still trapped in the debris.

The major, whose name was withheld, was shot in the shoulder when he attempted to prevent the gang from placing explosives in government buildings, and died in an explosion which blasted the district information building and his own home, situated nearby.

His wife was trapped in the wreckage of the home, but was removed and rushed to a hospital, where her condition was reported as critical.

The police guard who was killed was on duty in front of the information building, which also houses the censorship and food control offices.

Kolman Cohen, senior Jewish officer in the Jaffa district, was shot in the shoulder when he rushed from his home to try to halt the attack.

**Bridge Blown Up**

After imposing a strict city-wide curfew in Tel Aviv, the police began a house to house search for the persons responsible for the blasts.

A brigade of the Sixth Airborne Division was standing by, military authorities said, "in the event they are needed."

Shortly before the building explosion, an official report said a railway signal box was blown up, after armed men held up the downtown crossing guard and placed charges.

A road bridge was blasted at Chelouche street inside Tel Aviv, and an attempt was made to blow up the railway crossing barrier at Allenby road, a communiqué said.

The Allenby road crossing, on the principal thoroughfare, was damaged by explosives placed by a group of armed men, but an official report termed the attempt unsuccessful, or only partially successful.

Dethmers Becomes  
Associate Justice  
Of Supreme Court

Lansing, Sept. 9 (AP)—John R. Dethmers, former attorney general, today became an associate justice of the state supreme court.

Dethmers took the oath of office in a brief ceremony in the court chambers from Associate Justice Walter H. North.

Deputy Attorney General Foss O. Eldred, of Ionia, has sworn in as attorney general, at the same time. He has designated John Bradshaw as the new deputy attorney general.

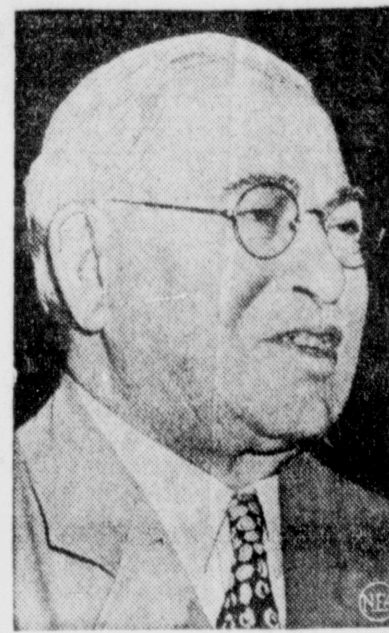

Dethmers was appointed last month by Governor Kelly to succeed Judge Raymond W. Starr, when he became federal judge of the Western District of Michigan. The new justice, who will be 43 in October, is the youngest of the eight members of the Michigan high court.

Dethmers will serve until a successor is qualified at the 1947 spring election and Eldred will serve until the end of this year.

Republicans Start  
Drive For \$400,000  
In Campaign Funds

Detroit, Sept. 9 (AP)—A drive to raise a Republican campaign fund of \$400,000 in Michigan for the Fall elections was begun today with the assistance of national party leaders.

Carroll Reece, national GOP chairman, came to Detroit to assist National Committeeman Arthur E. Summerfield and other Michigan party heads. Accompanying him were Walter Hope, chairman of the national finance committee, and James Kemper, national treasurer.

**SEES GOP PLOT**—The recent stock market "crash" was all a plot, deliberately manipulated by Republican financiers to enrich GOP campaign chests and hurt the administration in the November elections, according to Democratic Rep. Adolph J. Sabath, above. He said he has requested the Securities and Exchange Commission to investigate the amount of short selling in recent stock market operations. (NEA Photo.)

HEMANS TIRED  
OF TESTIFYINGBranch Banking Bribery  
Star Witness May  
Be Brought Back

Lansing, Sept. 9 (AP)—Richard B. Foster, special prosecutor of the Michigan county grand jury, said today a new federal statute may be invoked to compel the return of Charles F. Hemans, one of the state's star witnesses in the branch banking conspiracy examination which opens tomorrow.

A Detroit News special dispatch from Washington today quoted Hemans as saying he was "tired of testifying," and "I won't go back until the United States supreme court orders me back. And that will take quite a while."

Foster said he and his staff were considering using a federal law, passed by the last session of Congress and signed by the president last month, which "provides that any person leaving a state with intent to avoid giving testimony in a criminal action shall be guilty of a felony."

Foster reported he had seen Hemans in Washington Sunday and Saturday, and had been told when to appear, and that "no final decision will be made until that time."

Boy Whose Growth  
Stopped At 10 Has  
Operation On Heart

Detroit, Sept. 9 (AP)—An 18-year-old Coldwater, Mich., boy, whose physical development ceased eight years ago, staked his hopes for normalcy today on a delicate heart operation performed by a local doctor of osteopathy.

The youth, Ernest Marsh, was struck over the heart by a baseball bat when he was 10 and at the same time suffered a tonsil infection. One or the other of the misfortunes caused a deposit of calcium to form around his heart.

Dr. A. C. Johnson, who operated on Marsh, said the constriction of the shell-like growth halted the boy's growth and left him with the size and characteristics of a 10-year-old.

In a 90-minute operation, which he described as "extremely delicate," Dr. Johnson chipped five square inches of calcium from around the exposed organ.

He said the operation appeared successful, leading him to hope that Marsh may return to near normal size within a year.

Bulgarian King, 9,  
Little Concerned  
Over Losing Throne

Sofia, Bulgaria, Sept. 9 (AP)—Nine-year-old King Simeon II, apparently little concerned over the loss of his throne, helped his mother pack today for a journey into exile in Egypt, where he will join his grandfather, former King Vittorio Emanuele of Italy.

Complete figures released by the government tonight showed that of 4,100,000 votes cast in Sunday's plebiscite 3,801,660 were in favor of the republic and 179,175 for the monarchy. Blank ballots totalled 119,168. Total registration was 4,478,283.

Vassil Kolarov, speaker of parliament, is to become provisional president of the country pending selection of a national assembly Oct. 27.

CEILINGS MAY  
RISE ON MEAT;  
NO RATIONINGEXPERTS PREDICT  
SHORTAGE WON'T  
LAST LONG

Washington, Sept. 10 (Tuesday) (AP)—OPA price tags returned to the nation's meat counters today amid widespread complaints of shortages and talk of still higher prices.

The price lid was clamped down again last midnight, after meats had remained control-free since June 30, when the old price control act expired. However, in the noisy protests against scarce supplies, agriculture department officials said rationing of meat is not likely.

Moreover, a department spokesman discounted talk of a severe and prolonged shortage, declaring it is too early to say whether such a scarcity will arise. Meat experts in the department, he said, are inclined to believe that the present shortage may last no longer than a month or so.

It will be impractical and even impossible, he added, to set up rationing for such a short period.

**Must Encourage Production**

While no official statement on the point was available, several experts expressed the view that the government would be more likely to raise ceilings on livestock, or remove them altogether, than to resort to rationing.

These officials, who could not be quoted by name, said that if present prices are not conducive to expanded livestock production, consumer rationing would not be a cure. They pointed out, too, that the secretary of agriculture is directed by the new price control law to recommend ceilings which would encourage production.

The department spokesman, while declining to forecast future government decisions on rationing, said he knew of no plans to renew the program. Thus he went part of the way with officials of the Office of Price Administration, who said rationing is edible unless a "very dire situation results."

Meanwhile OPA announced that prices for restaurant meals including meats will stand until Sept. 16 at the levels of the week of Aug. 31. During the period of decontrol the ceilings were whatever the meals cost, plus a profit. By Sept. 16 the agency hopes to work something out with the restaurant trade.

At the same time OPA announced a rise of \$1 per hundred pounds for baby lima beans and \$1.50 for all other dry beans, reporting that the increase at retail will be about three cents a pound.

With ceilings ordered back on retail meats at midnight tonight after 71 days without controls, some demands for resumption of rationing have come from labor and consumer groups. They contend that would be the only fair way to distribute short supplies of steaks, roasts and chops.

**Marketing Declines**

The agriculture department spokesman took the position that

HEARING IS SET  
IN FRAUD PLOTThree Face Charges Of  
Attempted Shakedown  
Of Detroit Tavern

Detroit, Sept. 9 (AP)—Examination of a former liquor control commission chairman and two other defendants on fraud conspiracy charges were set today for Sept. 30.

Orrin A. DeMass, who retired from the commission in 1942; James J. Stewart, suspended chief investigator of the Wayne county prosecutor's office; and James R. Hoffa, business agent for the AFL Teamsters Union, were released on personal bonds after they stood mute when arraigned before Recorder's Judge O. Z. Ide.

The three were indicted Saturday by the one-man labor racket grand jury of Judge George B. Murphy who accused them of trying to obtain \$3,000 from Herman (Turk) Prujansky, and Louis and San Bernstein to "fix" a liquor commission complaint against Turk's Music Bar in downtown Detroit.

The three-count indictments, carrying a possible five year prison sentence upon conviction on each count, alleged conspiracy to obtain money under false pretenses, attempting to obtain money under false pretenses, and attempting to commit larceny by trick.

Girl, 3, Kidnaped  
By Maid, Found In  
Terre Haute, Ind.

Terre Haute, Ind., Sept. 9 (AP)—A four-day search for 3-year-old Madeline Tobias ended when the brown-eyed little blonde was found in a humble home here today and she was restored this afternoon to her parents, Mr. and Mrs. Philip Tobias, of Kansas City.

Shortly after Madeline was found police took into custody 22-year-old Mildred Louise Everett, a former inmate of the Ohio Girls' Industrial School at Delaware, Ohio.

FBI agents from Indianapolis took charge of the young woman and said a federal kidnapping charge had been filed against her in Kansas City.

Robert Vance, chief of detectives, said Mildred admitted taking the child from the Tobias home in which she had been employed as a maid and gave as her only excuse: "I loved the little girl and wanted her for my own."

At Massillon, O., Mildred's mother, said:

"Mildred just loved children. She never had any of her own and that is probably why she took the Tobias child. She was never harmed any one, and I'm sure she would not."

Vance said little "Toby" apparently suffered no ill effects and no harm during the four day's absence from her home although Mildred told of making the trip from Kansas City to Terre Haute by hitch-hiking and of sleeping one night in a fence corner.

This was the reunion scene: "Toby," freshly scrubbed at the Friendly Inn, a Terre Haute home for transients, was dressed in a pink pinafore provided by police. A pink ribbon was tied in her blonde tresses.

She was then taken to the office of Police Chief Forest Braden where she sat on the officer's desk, swinging her tiny feet.

The parents sped from the airport early this afternoon and were

BANK TELLERS  
CATCH ROBBEROklahoma City Bandit  
Is Captured With  
\$38,000 Loot

Oklahoma City, Sept. 9 (AP)—A gunman scooped up \$38,460 in cash at the downtown City National Bank today but proved too slow afoot to outdistance two experienced tellers who leaped from their cages and captured him after a brief pursuit.

The employees, aided by a cook with an accurate throwing arm and a vacationing policeman, captured the man at a busy street intersection and recovered the loot.

Their prisoner who gave the name of Loy T. Shields, 23, Holdenville, Okla., was jailed and booked by a federal officer on a charge of bank robbery.

He will be arraigned tomorrow morning before U. S. Commissioner Paul Shewalter.

The tellers, Albert Devine and Ray Tucker, vaulted out of their cages to pursue a man who had forced a vice president of the bank, Myron W. Horton, to round up all the big bills in the tellers' cages.

As the man dashed out the rear door with his loot, Devine and Tucker raced after him, though they had no weapons.

A bystander, H. C. Cobb, seeing the man running down the street with a pistol in one hand and a bag in the other, picked up a rock and let fly. The rock knocked the gun from the fleeing man's hand.

Devine and Tucker, aided by Fred Merz, a policeman on vacation who was walking by, closed in and captured the man at a street intersection.

**No Increase Seen  
In Sugar Rations**

Washington, Sept. 9 (AP)—OPA announced today that industrial sugar allotments for the final quarter of this year will continue at the same rate in effect for the third quarter (July-September).

The agency said that the agriculture department's allocation of sugar for civilian use does not permit any increase in rations to any types of users during the fourth quarter.

Furthermore, OPA added, "no increase in sugar rations can be foreseen for the first part of 1947."

Madeline Tobias

COLONEL SUED  
BY 4 MARINESJailed Without Cause,  
Veterans Claim; Ask  
\$100,000 Damages

Los Angeles, Sept. 9 (AP)—Four former marines, alleging that they were jailed without cause, filed suit for \$100,000 damages today against their former commanding officer, and charged him with extorting \$1,000 for their release.

They were imprisoned June 17 at the U. S. naval air station, Yokosuka, Honshu, Japan, they alleged, then transferred to the U. S. S. Sansaba (APA232) and finally put in the brig at Miramar, near San Diego.

The quartet named Lt. Col. John P. Condon, Santa Barbara, Calif., as defendant. Plaintiffs are Francis P. Lombardo, 25, 4741 N. 15th st., Philadelphia; Robert W. Cooksey, Jr., 20, Austin, Tex.; John E. Wilson, 20, Rural Delivery 5, Box 764, Akron, O.; and Raymond H. Brown, 20, 478 Coney Island ave., Brooklyn, N. Y.

Their federal court suit alleged that they were held without charges, civil or military. In San Diego their attorney, C. Ashley Johnson, said the men were acquitted by courtmartial in Japan of appropriating government property in connection with a commissary shortage, but were kept imprisoned after the trial.

After their return to this country, Johnson continued, they were required to sign a release to \$100,000 in Japanese yen taken from Wilson when he was first arrested, as a condition of winning their release. He said the four had returned to their homes, after being given "undesirable discharges."

**New Start Favored  
On Indian Question**

BY G. MILTON KELLY  
Bombay, Sept. 9 (AP)—Mahomed Ali Jinnah, president of the All-India Muslim league, proposed tonight that a new start should be made to find a solution to the Indian question, which would mean scrapping the interim government and the constituent assembly.

Jinnah's proposal came at the end of the quietest day in Bombay since Sept. 1 when Hindu-Muslim riots broke out to leave a casualty toll in nine days of 240 dead and 724 injured.

Six persons were stabbed here today and a large hosiery shop was burned. A government communiqué reporting the violence said that authorities did not attach "undue importance to the quiet" because flood conditions following the season's worst monsoon rain had immobilized the lawless as well as the law-abiding.

**POLIO LOAD 493**

Lansing, Sept. 9 (AP)—Eleven cases of polio, four of them from Detroit were reported to the state health department over the weekend.

Detroit's case load is now 192 and the state total is 493 cases. There have been 13 polio deaths in Detroit this year.

PAY INCREASE  
MATCHING AFL  
ASKED BY CIOSTEEL AND FLOUR  
MILLS HARD HIT  
BY WALKOUT

(By The Associated Press)

Any hopes for peace on the nation's strike-bound waterfronts suffered a setback last night (Monday) with the announcement that CIO seamen would demand pay raises matching anything won by AFL sailors in their strike against a "pay cut" decision by the Wage Stabilization Board.

The statement was made by Joseph Curran, president of 90,000 National Maritime Union (CIO) workers, on the eve of a WSB meeting in Washington to reconsider a cutback to \$17.50 a month it ordered in AFL-negotiated raises amounting to \$22.50 on the West Coast and \$27.50 in the East.

**Only One Alternative**

The ruling, based on a \$17.50-a-month award to CIO seamen in settlement of a threatened strike last June, resulted in a strike which idled a half million men and tied up every seaport in the country.

Strike leaders said only an outright reversal and restoration of the \$5 and \$10 cut would end the walkout.

The paralyzing shut down went into its sixth day with these developments:

1. The complete shutdown of export business threatened to bring a curtailment of operations in steel and flour mills, with storage space rapidly reaching a saturation point. Rail shipments to seaports have been embargoed since last Friday.

2. For the first time, U. S. Navy equipment and personnel stepped in. Navy craft took 887 passengers off the Marine Tiger which arrived in New York from Puerto Rico. The Marine Tiger is operated for the U. S. Maritime Commission.

Three Army tugs and eight military police in the role of longshoremen brought in the Army transport George W. Goethals which arrived yesterday from Bremerhaven and Southampton with 333 passengers.

3. Efforts of UNRRA Director F. H. LaGuardia to free relief shipments through an agreement with CIO seamen were countered by the International Longshoremen's Association (ILA), whose president, Joseph P. Ryan, said: "No ships will be loaded by my men while the Seafarers International Union (AFL) and the Sailors' Union of the Pacific (AFL) are still on strike."

**No Rift In Union**

Inability of NMU and SIU leaders to get together for a meeting to shape strike policy over the weekend reports of a possible break in the united front which brought about the greatest Maritime strike in America's history.

NMU President Joe Curran scouted this talk as nothing but "wishful thinking."

"There is no rift," he said, and then opened up with the first official confirmation that sympathizing CIO seamen were interested in their own welfare as well as raises for the striking AFL sailors.

"The manner in which increases were given to the AFL after our negotiations was an unfair proposition," Curran said.

"Certainly now, if they (the WSB) give them these increases were going to demand the same thing. If they want to stabilize the industry they should do it once and for all."

There was no immediate reaction from shipping operators, who had acceded to the AFL request for wage raises and added their support for a reversal of the WSB decision.

# TRUCKLOADS OF GOODS STOLEN

Grocery Storage Entered At Soo Hill; Value Loss At \$4,000

Over 119 cases or cartons of groceries and other goods owned by Joseph Clabaugh, Escanaba grocer, were stolen sometime Sunday night from the garage attached to the Clabaugh house at Soo Hill, where they were being kept in storage, it was reported yesterday by Sheriff William E. Miron.

Clabaugh informed the sheriff that a complete check of the articles taken is being made, but he believed the loss would be valued at between \$4,000 and \$5,000.

Clabaugh operates the Rose Park and The Place stores, both in North Escanaba.

Sheriff Miron said yesterday that it would have been necessary for the thieves to have used a truck, and perhaps to have made more than one trip, to make off with such a large quantity of supplies. Included in the articles stolen were about 20 cases of canned tomatoes, and many cases and cartons of groceries and other goods.

First report of the theft was made by Clabaugh about 8 a. m. yesterday morning to the sheriff. The theft occurred sometime between 6 p. m. Sunday and 7 a. m. yesterday, Clabaugh said. State police joined sheriff's officers yesterday in investigating the robbery.

The groceries and other supplies which were being stored in

# CEILINGS MAY RISE ON MEAT; NO RATIONING

(Continued from Page One)

the reports and predictions of

He said a decline in farm marketing of livestock had been expected after the reestablishment of ceilings. He described such a decline as a reflection of the fact that producers had sold heavily during the period of decontrol, depleting feeding pens. It may be several weeks, he added, before farmers can get more animals up to marketing weight.

Officials of the agriculture department generally concede that the new ceilings for hogs are not high enough to encourage heavy feeding of corn at present prices for the grain. But they believe that when the new corn crop—now expected to be the largest on record—becomes available this fall, the situation may change. In any case, a tight pork situation has been predicted to last well into 1947.

These officials expect the beef supply to be increased considerably by marketing of western range cattle beginning in late September, but these generally do not produce as high quality meat as grain-fed animals.

Butcher Shops Bare OPA reported that new posters showing the meat ceilings should be available at every meat counter

the garage were moved in there last Thursday, Clabaugh told officers.

Tuesday morning. The new prices average 12 per cent higher than those effective June 30 when OPA lapsed.

The average increase of 3 1/2 cents a pound is expected to add some \$600,000,000 a year to consumers' butcher bills compared with previous ceilings. Most of this increase will fall on the so-called luxury meats, such as choice and good steaks, roasts, loins and other specialty cuts.

Price lids returned one day earlier to canned meats, lard and shortening. OPA reported that canned meat prices were rolled back to the June 30 levels. Lard was 5 1/2 cents a pound higher, while most food oils and fats were up about one cent a pound for standard container.

Many cities throughout the nation reported that the return of price lids on fresh meats came as an empty gesture because the cases and counters of many butcher shops were bare of popular cuts.

"There is going to be a shortage in any event because of the glut during these months of decontrol," OPA Chief Paul Porter told reporters recently. "I anticipate that the OPA will be blamed for what would be a natural development of distribution."

# PAY INCREASE MATCHING AFL ASKED BY CIO

(Continued from Page One)

# Girl, 3, Stolen By Maid, Found In Terre Haute

(Continued from Page One)

ushered into Braden's office.

Mrs. Tobias rushed to the desk and grabbed her daughter sobbing: "My baby, my baby. Are you all right? Are you all right?" "I am. They didn't beat me or slap me or anything," the child replied.

Then Mrs. Tobias sank into a chair. Meanwhile the father, beaming with joy, divided his attention between the little girl and his wife, first patting the child and then comforting the distraught mother.

"Boby" seemed to be wondering what all the fuss was about. Police officers sneaked out handkerchiefs and dabbed at their eyes.

The FBI officers closed the scene by asking all but the parents and the child to leave the room. They said they wanted to ask the parents and little "Boby" some questions.

Earlier, while being questioned, the accused woman had spent her last 15 cents, for a package of cigarettes from a vending machine and not having a match "bummed" a light from Vance.

The officer said she talked freely, describing herself as "one-eighth Creole" and telling of her incarceration in the Ohio industrial school; of two marriages, the first to her step-brother, John William Baker of Zoar, O., and the second to Carl L. Taddley of Salina, Kans. Neither marriage had been dissolved by divorce. Vance said the young woman told him.

The "break" in the kidnapping case came this morning when Omer Funkhouser, who lives at the town of Barnhart near Terre Haute, walked into Chief Vance's office carrying a newspaper pic-

ture of "Boby."

"If I'm not mistaken this little girl has been at my home," he told Vance.

Officers took a look at the little girl and were convinced she was the missing child.

Funkhouser said he had been visiting his mother, Mrs. Mayme Frazier, in Terre Haute Saturday.

There was a little girl there he admired and a woman, who said she was the child's mother, offered to give the child away, saying she was unable to support it.

Funkhouser took the child to his home. He said the woman came to his home Sunday and sought to reclaim the child but the little girl cried and the woman left.

Vance said that Mildred and "Boby" arrived in Terre Haute Friday night while the Nation-wide search for the child was on.

Vance said Mildred made application for assistance at the Good Will Industries, a charitable institution, and was given overnight lodging by Mrs. Clova Moore.

Mildred, through the institution, obtained employment as a housekeeper in the home of Ben Bailey, next door to the Frazier home. Bailey, is the father of seven children whose mother left home several weeks ago.

Vance said that after recovering "Boby" officers went to the Bailey home and found Mildred there. They brought her to police headquarters and soon had her story.

Tobias, a former service man, with an overseas record, said he plans to return to Kansas City as soon as possible with his wife and child. He is employed there by a small loan company.

# Price Index Now Near 144 Per Cent Of 1935-39 Average

Washington, Sept. 9. (AP)—Prices of goods and services commonly used by city workers with moderate incomes rose two per cent between mid-July and mid-August, the Bureau of Labor Statistics reported tonight.

Food prices advanced about three and a half per cent. Prices of other essentials rose less than one per cent.

At the time of the survey on August 15, price controls had been restored on four-fifths of the typical wage earner's purchases. The two per cent rise between July 15 and August 15 brought the consumers' price index to about 144 per cent of the 1935-39 average.

# HONEY CROP POOR

Lansing, Sept. 9. (AP)—Michigan's honey crop this year may not exceed 5,500,000 pounds, the smallest production in 20 years, Don P. Barrett, head of the State Bureau of Apilary Inspection, declared today.

# PIN-WORMS

At Last—A Real Treatment!

Anyone who has ever had Pin-Worms knows how tormenting and embarrassing this infection can be, and how hard it may be to deal with the creatures, once they get a foothold inside the body.

Today, thanks to a special, medically recognized drug (gentian violet), a highly effective treatment has been made possible. This drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. P-W tablets are small and easy to take, and they act in a special way to remove Pin-Worms. So watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the aggravating rectal itch. And don't delay. Ask your druggist for JAYNE'S P-W right away, and follow the directions. Satisfaction guaranteed, or your money back. It's easy to remember: P-W for Pin-Worms!

# Tavern Owners

There will be a meeting of the Delta County Tavern Association at the

Chicken Shack on M35 Wednesday-Sept. 11th-8:30 P. M.

ELECTION OF OFFICERS This meeting is important, let's all attend A BUFFET LUNCH will be served after the business meeting.

Signed: Al Wiles, Sec'y.

# To The Public

We are happy to announce that the Drivers and Management of this firm are members of Local 328, Teamsters and Chauffeurs, A. F. of L. We are thus better able to serve the public under union conditions and union wages.

# Maine Vote Shows Republicans Ahead

BY THE ASSOCIATED PRESS

Republicans overwhelmed a Democratic challenge in Maine yesterday in the nation's first general election of 1946.

Senator Owen Brewster, Governor Horace Hildreth and Rep. Frank Fellows, all GOP members,

# Carrier Roosevelt Planes Form FDR In Skies At Athens

Athens, Sept. 9. (AP)—Thousands of persons raised their eyes this afternoon to the skies above Athens, where 73 planes from the U. S. supercarrier carrier Franklin D. Roosevelt formed "FDR" in letters half a mile high.

Launched from the 45,000-ton carrier more than 40 miles out at sea, the planes formed other intricate designs before writing the initials of the late American president at more than 2,000 feet.

The Roosevelt, which steamed out of port here this morning, had to thread its way through a minefield 40 miles south of Athens before launching the fighters and dive-bombers which put on the aerial demonstration.

The demonstration, previously had been scheduled for last Thursday but was cancelled, American naval officials said, because of a "jammed program." There had been reports that the U. S. embassy here had asked that the aerial show be called off because of the tense political situation.

# Pickets Dispersed As Cowboys Drive In Herd Of Cattle

Clagary, Alta., Sept. 9. (AP)—Rough-riding cowboys scattered a group of strike pickets by driving a herd of cattle through them in the isolated Lundbreck district of Alberta, it was reported here today.

The pickets, marshalled by an Alberta farmers' union local, tried Saturday to stop the cowboys from loading a shipment of cattle on a train, advised from Lundbreck said. The cowboys rammed the cattle right through the pickets and loaded them without further interruption.

A strike of 20,000 members of the Alberta farmers' union, devised to attempt to force the Canadian government to take action on parity prices, began Saturday.

# Heavy Detroit Fog Holds Up Traffic By Air And Water

Detroit, Sept. 9. (AP)— Air and water traffic returned to normal in the Detroit area today after being paralyzed during the night by the first heavy fog of the season.

Air lines said takeoffs were resumed during the morning and J. W. Westcott and Co., marine reporters, announced that a dozen vessels, which had dropped anchor in the Detroit river, had resumed their voyages.

The U. S. Weather Bureau foresaw clear weather for tonight in contrast to the low visibility of early Monday. Tuesday will be partly cloudy and continued warm, the forecast added.

# Son, 15, Must Stand Trial For Killing Policeman Father

Detroit, Sept. 9. (AP)— Probate Judge Veno L. Sacre decided today that 15-year old Richard Viau must stand trial in recorder's court on a charge of murder in the shooting of his policeman father.

The probate judge waived jurisdiction in the case and, over the objections of defense attorneys, ordered the boy removed from the juvenile detention home to the custody of the sheriff.

The boy's father, patrolman Gilbert Viau, was shot to death in the basement of his home a month ago. The youth was taken into custody in the Upper Peninsula several hours later.

# Wallace Predicts Big Expansion In Mexican Industry

Washington, Sept. 9. (AP)— Secretary of Commerce Wallace predicted today there would be "marvelous expansion" of both agriculture and industry in Mexico which would probably double the current output within the next 20 years.

Wallace, who returned this morning from a Mexican visit, as the guest of President Avila Camacho, told a news conference that the Latin nation had "gone forward much faster than I had anticipated when I was last there in 1940."

# Squatter Campaign Of Seizing Home Worry For Britain

London, Sept. 9. (AP)—The British government planned swift but still undisclosed action tonight to halt a swelling, Communist-sparked "squatter" campaign that threatened seizure of privately owned dwellings by the score.

At least 17 London buildings, including two blocks of luxury apartments, were commandeered in the last 24 hours by families who marched in and set up house-keeping. The movement, which caused the gravest concern in official quarters, appeared to be spreading.

# TICKETS ON CREDIT

Chicago, Sept. 9. (AP)—H. W. Suddall, chairman of the Railroad Passenger Interterritorial committee, announced today that purchases of railroad tickets on a credit basis by business firms may be possible by the first of next year.

Iowa farmers had 569,000 horses and colts on their farms in 1945, largest number of any state in the Union.

## SCHOOL BOOKS LYCEUM SERIES

Five Numbers Will Be Presented; First Is Sept. 23

Five lyceum programs will be presented to the Escanaba high school students during the school year, Principal E. E. Edick has announced.

The lyceum series will open Sept. 23 when the Stevens Pupils present a marionette show, "This Funny World" at 10 a. m. in the school auditorium.

C. Thomas Magrum will present a program of magic on November 18. Elsa Moegle, harpist, will entertain April 15 and Dr. F. Arnold Young will give an amusing but entertaining lecture, "Music as She is Spoke" on April 24. A fifth number, featuring Otto Schacht, baritone, also is included in the lyceum series but the date has not been set.

The lyceum series is arranged primarily for high school students and the programs are held during school hours.

## One-Half Year More Of Life Gained For Industrial Workers

New York—Another half-year of life has been gained, or the end of life postponed six months, for industrial workers during the past year, figures from the Metropolitan Life Insurance Company's records show.

The expectation of life at birth reached an all-time high of 64.95 years during 1945 among the company's industrial policy holders. The figure is a half-year greater than the 1944 and one and one-half years greater than for 1941 the last prewar year.

The gain during the war years is considered extraordinarily good in view of the hardships and dislocations in civilian life and the special risks aside from enemy action run by men in the services.

The gain is attributed largely to two factors:

1. The generally raised standard of living resulting from full employment at relatively high wages.
2. Widespread use of the sulfa drugs and penicillin.

Further extension of life in future is expected as a result of continued efforts of medical science and public health administration which have accomplished so much to prevent disease and premature death.

## Big Cargo Plane Will Be Produced

Seattle, Wash.—A double-deck, four-engine cargo plane with nearly twice the volume capacity of a railroad boxcar, was revealed today by the Boeing Aircraft Co., here. Dubbed the Stratofreighter, the new cargo plane will be a sister ship to the Boeing 80-passenger stratocruiser.

The 74.5-foot upper deck will serve as one freight compartment with the lower deck divided into three holds. Designed for economy, the new plane will operate at a cost of 3.9 cents per ton mile, Boeing officials estimate.

General Electric BH-4 turbo-superchargers will be a part of the Stratofreighter's standard power plant, and an altitude-conditioning system will maintain sea level temperatures up to 15,000 feet.

The 67.5-ton plane can carry 41,000 pounds of cargo at a speed of 300 to 350 miles per hour.

Cantaloupes are rich in vitamins A and C.

John L. Terens, Clerk

## Throne Trouble Is Not New For King George

By NEA Service

King George of Greece is getting his old job back again. For King George, it's an old story; he's been on and then off the Greek throne ever since his father, King Constantine, abdicated in 1922. His kingly career has been among the most stormy in modern history.

Robust and healthy at 56, King George will take a well-rounded knowledge of world politics and a democratic outlook with him when he returns to Greece. He has a tough job ahead of him. Greece's war wounds are among the worst in the world, and her internal politics are in a constant state of turmoil.

King George's first tiff with revolution came less than two years after he succeeded his father. General Komatas proclaimed a republic in March, 1924, and a plebiscite held a month later confirmed the abolition of the monarchy. King George, who refused to abdicate, spent most of his time in Great Britain, awaiting another plebiscite which recalled him to the Greek throne in November, 1935.

His job as king didn't amount to much. General John Metaxas assumed dictatorial powers the next year, and while the King stayed on, he was more or less a figurehead.

The war gave the King a chance to prove himself. In the face of the German invasion, he stayed with his troops. When the Greeks and the British were forced to fall back, first from Greece to Crete, and later from Crete to Egypt, King George remained with the remnants of his army.

German paratroopers chased him across Crete for three days, but he managed to elude them. The Germans believed that with King George in their hands, Greek resistance would end.

For his valor during the retreat, Britain awarded him the D. S. O., the only sovereign ever to receive that decoration, and his own country gave him the Greek war cross.

### Government In Exile

For a while, King George maintained his government in Egypt. Later it was moved to South Africa and finally to Great Britain. He once objected vigorously to being called a "king in exile." "Who has exiled me?" he said. "I left my country with the rest of my army after rallying to the side of Britain at a time, in 1941, when she stood alone against the Germans. We were driven out by the overwhelming force of the

King George of Greece leaves London for his homeland after a plebiscite recalled him to the monarchy. The year was 1935. Now another plebiscite just made him the same offer and he's getting ready to leave London again.

invasion."

During the war years, King George continued to fight for Greece's cause, and even visited the U. S. in 1942, to help cement relations between the two countries. He was received by Congress when he addressed on Greek problems, and by President Roosevelt. Politicians found him a genial man, with a keen sense

of humor and an infectious laugh. When peace came, King George's future hung in the balance. Many monarchs were losing their thrones. In deference to the Greek Republicans and upon advice of Great Britain, King George remained away from his homeland until invited to return by a free expression of the national will. Pending that referendum, he named Archbishop Damaskinos as Regent. The referendum gave the King his old job back once more. He probably will return to Athens later this month.

King George has no illusions about the job ahead of him.

"Before making plans I must be in personal touch with the tremendous task of reconstruction to be carried out in Greece," he says. "One must not forget that the damage done by the Germans, the Italians, and the Bulgarians was on an unprecedented scale. Hundreds of towns and villages, all bridges, large and small, roads, railways, public utilities—everything was destroyed."

### Wounds Must Heal

"Greece must heal those wounds so that the people may once again be able to have the means of earning a livelihood. Reforms must be put in hand and ways must be found to raise the standard of living of the poor, so that living conditions of the workers, and particularly of the peasants, may be improved and Greece may attain the level of other prosperous countries."

"Twice already I have taken my place on the throne of my country. Conditions were difficult then; this time they will be far more formidable."

Without children of his own—his marriage to Princess Elizabeth of Rumania was dissolved in 1935—King George will be succeeded by his brother, Prince Paul, should he die and should the Greeks continue the monarchy. He is convinced that such a government is the best thing for Greece.

"Without personal prejudice in its favor, I feel that Constitutional Monarchy is a political institution of proved value," he once said. "It is a good thing for one element in the State to be above party conflict."

He likes the job.

## ATOMIC ENERGY USED ON TUMOR

Boston Specialist Tries Radiation To Save Life Of Girl, 3

Boston—(AP)—Atomic energy was being used tonight by the medical profession in a "last chance" attempt to save the life of a three year old girl suffering from a malignant tumorous infection of the liver.

Dr. Saul Hertz, Boston specialist and research associate at Harvard and Massachusetts Institute of Technology, said he started tonight to administer radio-activated phosphorus to little Janice Moschella.

Processed on the cyclotron at the University of Illinois, 10 milligrams of the phosphorus was flown here last night in a special glass container sealed in a lead box.

The phosphorus was being injected into her abdominal cavity. Dr. Hertz emphasized that the use of the phosphorus was "entirely experimental," adding that the test is "suitable" in this case because all other methods to save the child's life have been abandoned.

He said that it would be administered slowly over a three day period, explaining that the theory behind the experiment is that the phosphorus will give off radiation similar to X-ray rays and will eliminate the tumor cells by interfering with their electrolytic system.

The child, daughter of Mr. and Mrs. Michael Moschella of East Boston, was sent home from a hospital three days ago. Doctors said they could do nothing further to save her life.

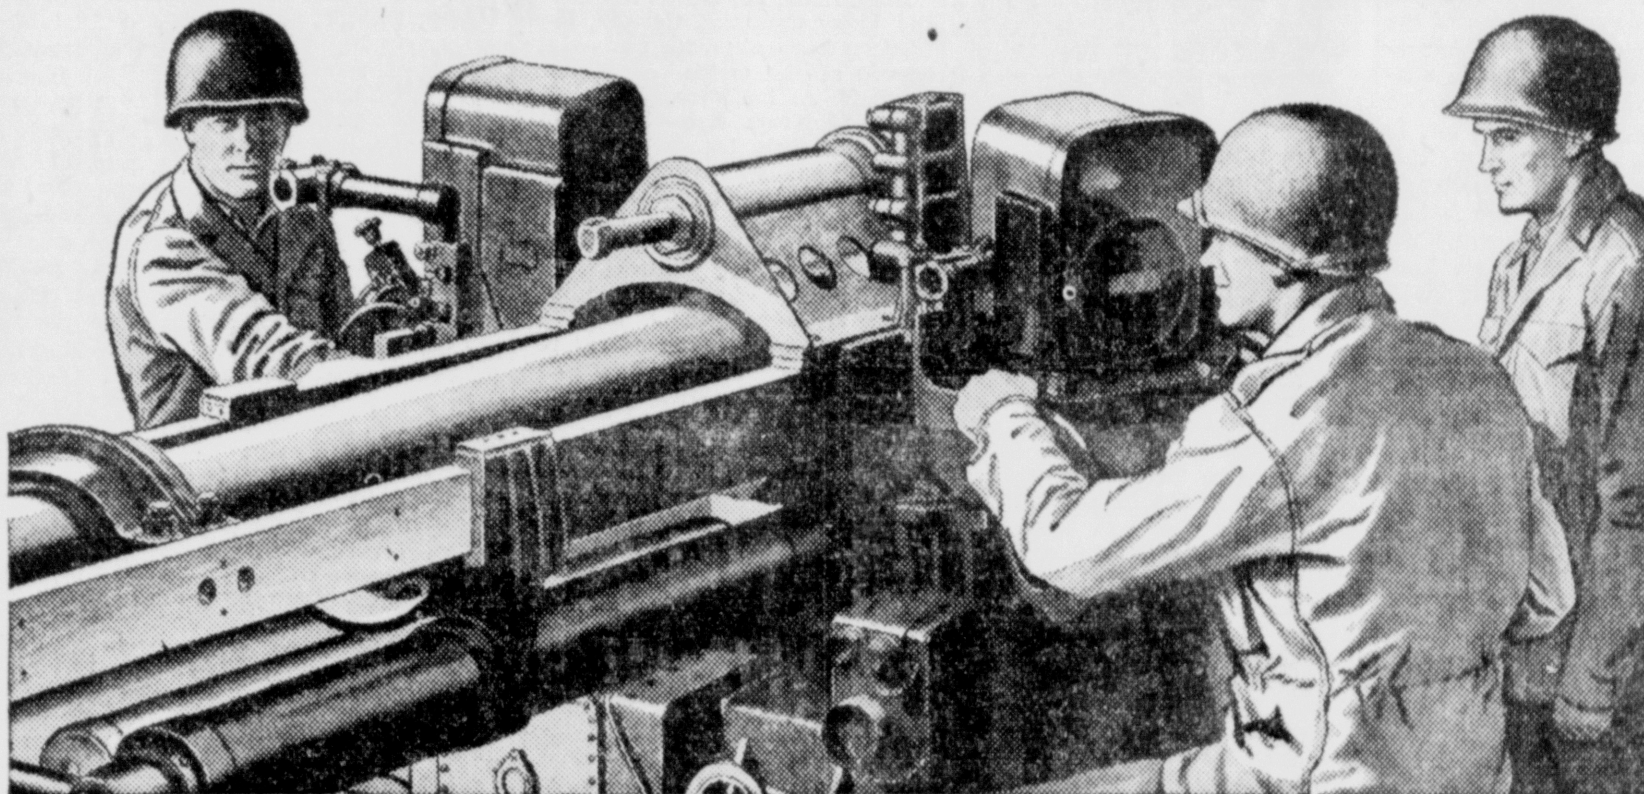

After newspaper appeals by the parents, the phosphorus was flown here for the experiment.

Cultivation of abaca, source of hemp, was not started in the western hemisphere until 1925.

The Escanaba Daily Press

## SET YOUR SIGHTS

It takes a lot of planning to hit a target . . . even more to achieve a goal

There are two kinds of young men. One knows what he wants to do and goes after it. The other is still looking for his niche. The new Regular Army can help both of them.

Suppose, for example, that you're the first kind. You want to go to college but don't have the money. If you enlist in the new Regular Army, you'll have a chance to earn while you learn. Honorably discharged at the end of a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The U. S. Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, and you'll get \$65 a month living allowance—\$90 a month if you have dependents.

Or maybe you're the man who hasn't found his spot. An enlistment in the Army will put you in touch with the widest selection of jobs. Army schools offer special training in over 200 trades and skills. When you leave the service you can continue your training at the school best equipped to help you.

Set your sights! Enlist in the new Regular Army. You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

ENLIST NOW AT YOUR NEAREST U. S. ARMY RECRUITING STATION  
P. O. BUILDING - MANISTIQUE, MICH.

### HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.
8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

### NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothes and Medical Care

★

In Addition to Column One of the Above: 20% Increase for Service Overseas. 50% Increase if Member of Flying or Glider Crews. 2% Increase in Pay for Each 3 Years of Service May Be Added.

## Steam Main Laid In One Block Of Latest Extension

One block of steam main in the two-block project between Sixth and Eighth streets in the alley south of Ludington has already been laid, City Engineer Loren Jenkins reports. The work in the alley of the 700 block will be entirely completed before crews begin the second part of the project in the 600 block.

The entire project will be completed in about three weeks, Jenkins said.

## Iron Mountain Man Guilty; Fined For Reckless Driving

An Iron Mountain motorist, Robert Gendron, arrested by local police about ten days ago, was found guilty of reckless driving yesterday by Justice of the Peace Henry Ranguette and was assessed a fine of \$10 and costs.

Gendron was also ordered to pay the medical and hospital bills of David Delavaux, 1410 North 16th street, whom he knocked down and slightly injured with his car. Delavaux received a minor head and knee injury.

The Iron Mountain youth, discharged from the navy last week, had originally pleaded not guilty to the charge.

## Plan Organization Of Guard Unit Here At Meeting Tonight

Plans for organizing Company C, one of four National Guard units of the Upper Peninsula's 107th Engineer Combat Battalion, will be discussed at a meeting of a Citizens' Committee this evening at 8 o'clock at the Chamber of Commerce offices.

The meeting has been called by Atty. Robert E. Lemire, American Legion post commander here, who was appointed a short time ago to begin the work of re-activating the Escanaba unit.

Any men interested in joining the local company and all other

interested adults, in addition to the Citizens' Committee, are invited to attend the meeting tonight.

### IMPROVED SINCE

The first airplane of the U. S. Army Air Corps had a top speed of 47 miles an hour, and could stay aloft two hours, carrying two men. This was in 1909.

## ROBERT SHARP CLUB SPEAKER

### Rotarians Hear Story Of Family Separated By War In China

Robert Sharp, 22, son of Mr. and Mrs. Clinton Sharp of Tientsin, China, yesterday told the Escanaba Rotary club at its noon luncheon meeting in the Delta hotel of his family's separation and suffering during six years of war in China. His father is a former resident of Escanaba, but this is the first time that Robert has been in the United States.

Clinton Sharp in China married a Japanese girl, and four children—two sons and two daughters—were born to the couple. The daughters, Isabella and Myrtle, are now living in Escanaba with their aunt and uncle, Mr. and Mrs. Louis Amundsen, 713 South 17th street, where Robert is now visiting.

Because Mrs. Sharp was Japanese, she and Robert were taken to Japan for about one month in 1943, and an effort was made by the Japanese to draft him into their Army. His inability to speak their language and his "unsatisfactory" background brought about his release and he and his mother returned to China. Joining the younger brother, they fled to the Communist area of Northern China to escape the Japanese. A second time it was there that Mrs. Sharp became so ill that she still is unable to come to this country with her husband.

The husband and two daughters spent the duration of the war in a Japanese concentration camp in China, and the daughters came to this country upon their release. Robert and his brother also are in the United States, leaving only the mother and father in China. Robert said yesterday that he expected his parents would come to this country soon.

The Rotarians were deeply interested in the young man's account of his experiences and impressions, and asked numerous questions concerning the Japanese, Chinese Nationalists and Communists.

### Fayette

Fayette, Mich.—Mr. and Mrs. Al Folio and William Folio Jr. of Detroit spent the holiday weekend with their parents, Mr. and Mrs. William Folio.

Charles Rasmussen spent from Saturday till Tuesday at Bostwick Lake near Grand Rapids. He was appointed delegate for the young people of the Upper Peninsula to the Pilgrim Fellowship Conference while attending the Bible Camp at Michigamme in August.

Mr. and Mrs. Peter Asnes and Mr. and Mrs. Louis Flath of Escanaba spent Labor Day with the Ben Osdahls.

Mrs. Herbert Pizzala and daughter Joanne spent Tuesday in Escanaba.

Frederick Thill of Detroit is visiting his parents, Mr. and Mrs. Frank Thill, this week.

### Annual Audit Of City's Books Begun By Marquett Firm

Four members of the Morrison Audit company of Marquette began the annual spot check and balance sheet audit of the city's books yesterday.

Auditors at work here are Robert Michaels, John Andrews, Wallace Johnson and Edward Woodbridge.

The work will be completed in about a week and will cost about \$1,000.

Council approved hiring the Marquette firm at a meeting in August.

The beaver is the largest member of the rodent family.

### Grand Marais

#### POKROPOVICH FUNERAL

Grand Marais, Mich.—Funeral services for the late Joseph Pokropovich who died at his home here last week following an extended illness, were held from Holy Rosary church Tuesday Sept. 3.

The deceased was born in Poland, March 19, 1866 and had lived in Grand Marais for the past forty years. Besides his wife, he is survived by one daughter, Mrs. William Given and four grandchildren: Mrs. Blair Vickerman, St. Cloud, Minn., William Given, Elyria, Ohio, Frances and Charles Given of Detroit.

Out-of-town relatives attending the funeral services were: Mrs. Steve Kulesa and Mr. and Mrs. Al Kelso of Milwaukee, Wisc.

#### Personals

Mr. and Mrs. Duke Smith and Fred Bishop are visiting at the home of Mr. and Mrs. Joseph DesJardin. Mr. Bishop is a son of Mrs. DesJardin.

Mr. and Mrs. Irving Hill and sons, David and Roy attended the Fair at Escanaba last week. The Hill's daughter, Mary Ann, was Queen Lake Superior, representing Grand Marais.

Mr. and Mrs. Duke Smith, Fred Bishop, Mrs. Edward Erickson and Mr. and Mrs. Joseph DesJardin visited Mrs. DesJardin's sister, Mrs. Claude McLean, at the Soo, last week.

Mr. and Mrs. Marshal Grunwald and children Marty, Linnea

and Marcia of Oak Park, Ill., spent a week at the summer cottage of Mrs. Grunwald's mother, Mrs. William Boller.

Edward Erickson and son, Bruce left Saturday for Detroit to attend the baseball games.

Mrs. Olive McIver and Mr. and Mrs. Gordon McIver, Boston, Mass. spent the past week visiting Mrs. Mary McIver.

#### School Opens

Burt Township Consolidated school opened Wednesday, Sept. 4 with the following teaching staff: Superintendent, Walter Hampton.

High School Staff, Mrs. Walter Hampton, Mrs. Douglas Mulligan, Wilma Vaudreuil.

Intermediate and Primary, Mrs. Edward Bennett, Mrs. Irving Hill, Mrs. Forest Carter.

Miss Faye LaRue, Detroit, is visiting her sister and brother-in-law, Mr. and Mrs. James Thompson.

### SOS! Cops Sinking In Prairie State

Urbana, Ill.—(AP)—The Urbana police station receiving radio—some 700 miles from the nearest ocean—picked up an SOS call. Investigation established that a squad car had plunged down a bank into two feet of water. Before their sending set went dead the two patrolmen aboard wireless: "Come get us out of Crystal Lake."

Chinese fortune-tellers read the lines on the soles of the feet as well as the markings on the hands.

### Escanaba Lions Hear Address By Army Chaplain

Rev. Fr. Earl Demars, Catholic chaplain in the U. S. Army for the past five years, presented a highly interesting address on the subject of American GI's at the meeting of the Escanaba Lions club last night at the Sherman Hotel.

Father Demars emphasized that the building of strong Christian character into the lives of young men by their parents is a determining factor in whether those men retain moral strength during their years of military service.

"The army does not make men bad nor does it make men good,"

Father Demars told the Lions. The chaplain added that the vast majority of men in the American army are well behaved.

The speaker, who spent much of his overseas service with the late General Patton, revealed a number of interesting experiences and presented an entertaining character study of "Old Blood and Guts," the most colorful personality of the war.

Father Demars explained that Gen. Patton was a very profane man, but that he also was a religious man with a deep reverence for God. He declared that Gen. Patton had a great respect for the American soldier and always fought vigorously for the welfare of the men under his command.

Nine-tenths of the world's known diamonds have come from Africa.

## "Our Best Bet is to set up our own farm fire insurance compny."

Those were the words of a Delta County farmer 30 years ago.

This farmer laid the foundation stone for what was to be one of the leading farm fire insurance companies in the Upper Peninsula.

We have grown because we believe in promptness, honesty and fast service.

**Luncheon Postponed**  
The Presbyterian Mission Circle luncheon, originally scheduled for today, has been postponed until Tuesday of next week.

**Past Noble Grands' Club**  
The Past Noble Grands Club of Phoebe Rebekah Lodge will meet this evening, at the home of Mrs. Carl E. Anderson, 910 South 17th street for a 6:30 supper. Mrs. A. C. Nygaard will be assisting hostess. All members are asked to be present.

**Youth Fellowship**  
Meets Wednesday At Methodist Church

The First Methodist Youth Fellowship will hold its first meeting since last spring on Wednesday evening at 7:30 o'clock in the church basement. It has been announced by Beverly Goodreau, who is in charge of arrangements for the gathering.  
Marion Birkenmeier and Mary Ellen Johnson are in charge of refreshments.

**MARRIED RECENTLY** — Mr. and Mrs. Milton H. Lauscher are making their home in Escanaba, following their recent marriage at St. Joseph church. The bride is the former Dolores Mae Roberts, daughter of Mr. and Mrs. Joseph Roberts. (Ridings Photo.)

**Dolores Roberts Is The Bride Of Milton Lauscher**

Miss Dolores Mae Roberts, daughter of Mr. and Mrs. Joseph Roberts, 320 Ludington street, became the bride of Milton Hubert Lauscher, son of Mrs. Gladys Lauscher, 203 South 23rd street, at an August wedding performed by the Rev. Fr. Alphons Wilberding at St. Joseph's church.

The bride wore a white eylet afternoon dress with matching accessories, and a shoulder spray of white flowers. Miss Beverly Roberts, who attended her sister, wore a yellow eylet dress with matching flowers.  
Maurice Blixt served as best man.

Later in the day, 25 relatives and close friends of the bride and groom attended a wedding dinner at the Chicken Shack. Out of town guests included Miss Lucille Tows and Miss Leona Gravelle, both of Milwaukee.

Mr. and Mrs. Lauscher are making their home at 203 South 23rd street. The bridegroom, a graduate of Escanaba high school, class of 1942, is employed by the Escanaba Paper company. The bride, who was also graduated from the senior high school, class of 1944, is employed by the Woolworth company.

**Local C&NW Club Women To Be Guests Of Milwaukeeans**  
Members of the Chicago and North Western Women's club here have been invited by the recently organized Milwaukee club to attend that group's opening luncheon, which will be held Tuesday, Sept. 24, at 12:45 o'clock at the Knickerbocker hotel, 1028 East Juneau avenue, Milwaukee.

Local clubmembers who plan to attend the luncheon are asked to make reservations not later than Wednesday by calling Mrs. C. G. Friets, phone 1040, or Mrs. J. F. Corcoran, phone 1194-W.

Both old and new members of the organization and their friends are invited to attend.

**Protestant Clergy Plans Meeting At Marquette Sept. 16**

A conference which will bring together Upper Peninsula clergy and laymen of different Protestant faiths with the aim of adopting methods and procedures of promoting Christian education will be held in the First Presbyterian church at Marquette Sept. 16-18.

Announcement of the conference was made by a planning committee, of which the Rev. James H. Bell, of the First Presbyterian church, is a member. Other members of the representative committee are the Rev. Walter Ratcliffe, chairman, First Methodist church, Sault Ste. Marie; the Rev. James Balfour, Methodist church, Menominee; the Rev. N. U. McConaghey, First Presbyterian church, Iron Mountain; the Rev. John Meredith, superintendent, Marquette district of the Methodist church; the Rev. Donald W. Lane, of the First Baptist church; the Rev. Fred Vosburg, First Methodist church; and the Rev. Onni Koski, Finnish Lutheran church, Marquette.

The conference, according to the committee's announcement is "expected to be a demonstration of the essential unity of Protestant Christianity and an opportunity for planning further progress in ecumenicity."

**See Need For Conference**  
The announcement continued: "The Michigan Council of Churches, under whose guidance the meeting will be held, has done outstanding work in the spread of religious education throughout the state."

"The Upper Peninsula meeting is patterned after a series of good-will conferences held each year throughout the Lower Peninsula under local auspices. Results of these downstate conferences gave rise to recognition of the need of such a conference in the Upper Peninsula."

The Michigan Council of Churches, through these conferences, has gained considerable recognition for its work in exploration of means for improving race relations and in building church units of better Christian understanding."

Among speakers on the program will be the Rev. Mark A. Dawber, executive secretary of the home Missions Council of North America; the Rev. Paul G. Macy, Chicago, director of the midwest region for the American Committee for the World Council of Churches; and Dr. Frank A. Court, pastor of the First Methodist church, Duluth, Minn.

**Schedule Closing Golf Dinner For Twilight League**

The season closing "payoff dinner" for the women's Twilight League at Escanaba Golf club will be held Wednesday evening. It was announced yesterday. The dinner is open to all members.

Starting at 3 o'clock in the afternoon "monkey golf" will be played. Members of the losing team, captained by Mrs. F. W. Schmitt, will be the committee in charge. Mrs. Joseph Poffenberger is captain of the winning team.

During the evening officers will be elected and organization planned for the coming year.  
Reservations for the dinner should be made by Tuesday noon by telephoning the club house.

## ASKS PERMIT FOR HANGAR

Pioneer Aviation Plans Improvements At Menominee

Menominee—First move towards permanent improvements at the new Menominee county airport at Park avenue and Tilton street was made yesterday when the County Airport committee took under advisement a request from Walter Arntzen of Escanaba, president of Pioneer Aviation, Inc. for permission to erect an airplane hangar at a cost estimated between \$30,000 and \$100,000. Pioneer operates a flying school at the old M-35 airport and will move to the new field as soon as flying is permitted there.

Arntzen appeared before the committee, which met for the first time since its creation by the Menominee county board of supervisors at the August board session. The committee is headed by Mayor Otto R. Eickmeyer and members are Sup. Edmund Sager of Lake township and Sup. W. H. Zeratsky of Menominee township. Chairman George Barstow and Sup. Edward J. Pearce of the Menominee county road commission also participated in the meeting.

Before hearing Arntzen's proposal the committee directed Mayor Eickmeyer to give formal notice to the Civil Aeronautics Administration and the Michigan Department of Aeronautics of its intention to seek federal and state funds for hard-surface runways at the new airport at an estimated cost of \$150,000. The federal government is matching state and local funds in airport expansion and improvement and under the proposed plan will pay half of the cost.

Under the new airport's master plan, prepared by the CAA, all of the buildings, including administration, hangars, airline waiting room, etc., will front on Tilton street about where the old polo field was located. The buildings will be limited in height and will be far enough away from the runways to assure no interference with landings or takeoffs.

Arntzen proposes to build a fire-proof hangar, 60 feet square and 13 feet high, of concrete and face brick construction. The building, he said, would house four airplanes and it is Pioneer's intention to base at least three airplanes permanently at the field. He said that next summer he would inaugurate daily flying service over a triangular course between Menominee, Washington Island and Escanaba.

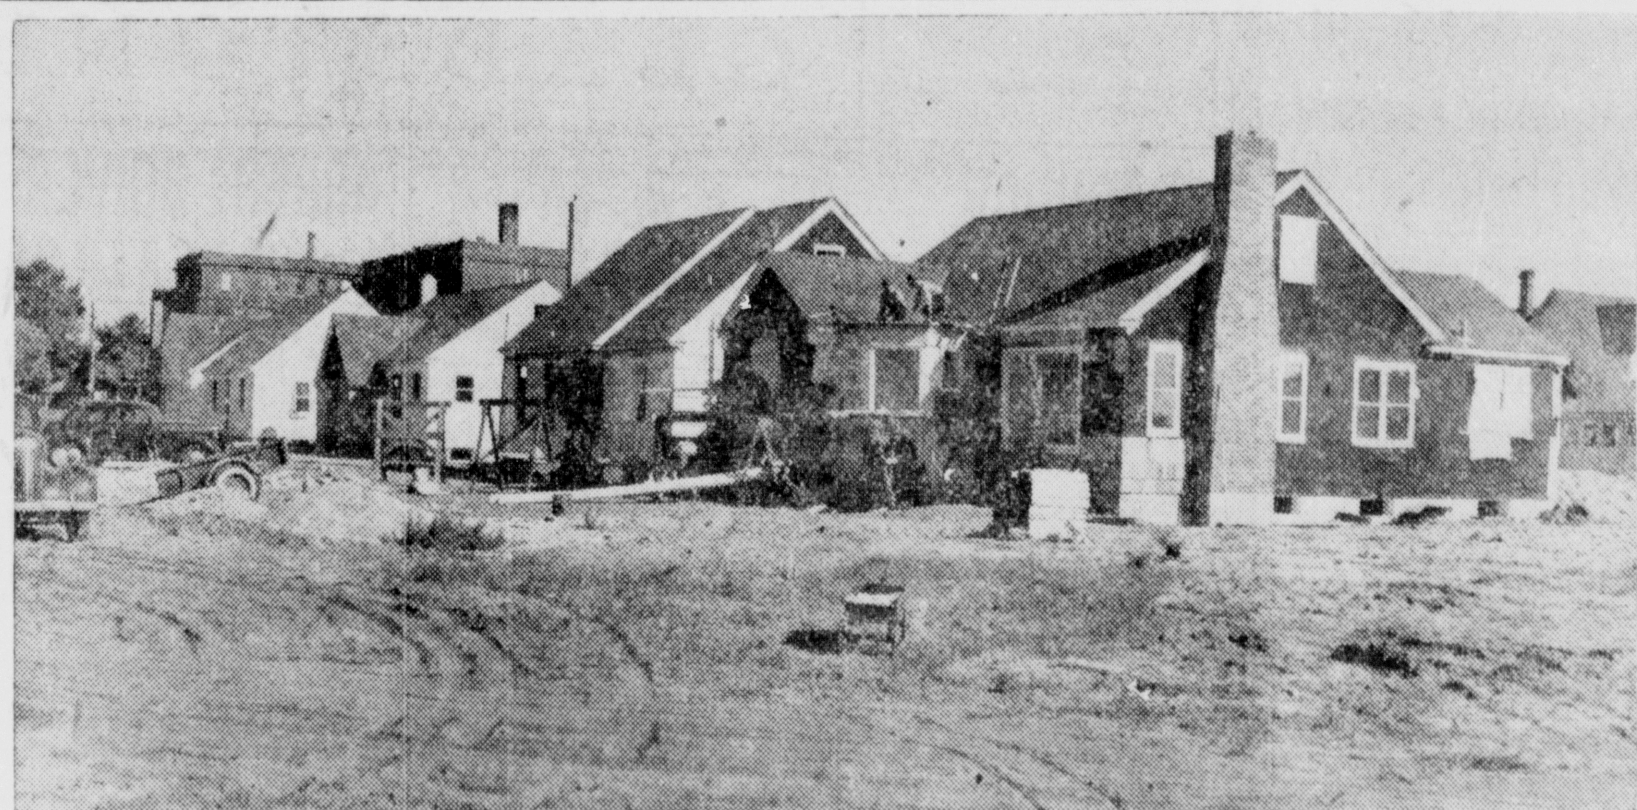

The committee plans to map a long-range program for airport buildings and wants time to consider the Arntzen proposal so that if the hangar is erected it will fit into the general plan. To get further information, the committee will make an airplane tour of U. P. airports including Escanaba, Marquette and Iron Mountain where similar buildings are now constructed and discuss with officials in these cities their method of airport maintenance.

## Ensign

### SELLS PUREBRED BULL

John Mauhar of Ensign, a breeder of Brown Swiss cattle, has recently sold the bull Jerry's Jim to Andrew Dine, Gulliver, it is reported by the Brown Swiss Cattle Breeders' association of Beloit.

The first cotton gloves were manufactured in America in 1916.

**HOUSING PROJECT**—Escanaba's home construction program has not moved as rapidly as the general public had hoped but many new homes have been erected during the past year. A project that has created considerable interest is the construction

of these five new homes on Ninth avenue south by Skaug Brothers. The homes will be ready for occupancy this fall. Veterans get top priority for purchase.

## Rapid River

### Shower Party

Rapid River, Mich.—A delightful pre-nuptial shower party was held Wednesday night Sept. 4, at the home of Mrs. Edna Young, honoring Miss Dorothy Evans of Crosby, Liverpool, England, a bride-to-be. The party was sponsored by Mrs. Floyd Buckingham, Mrs. Allen Young and Mrs. Edna Young. The evening was spent in playing bridge, five hundred and games. Mrs. Albert Caswell held high score in bridge and Mrs. Ed Lind the low. In 500 Mrs. Frank Gerlach held high, Mrs. Ned Short the low, in the games Mrs. Snow held high, Miss Dorothy Evans the low. A tasty lunch was served and the honor guest received many beautiful and useful gifts. Out of town guests were Mrs. R. Norden, Mrs. Bill Bunker of Perkins, Mrs. Snow from Isabella, Mrs. Charles Elger from Gladstone, Miss Dorothy Evans, the honor guest left London, England Sunday Sept. 1 and arrived in Chicago Tuesday at noon where she was met by her fiancé Roland Young.

Thursday evening some of the class members of the 1943 class and their friends entertained Roland Young and Miss Dorothy Evans at a party held at the Bonz cottage in Masonville.

Attending the party were Laverne Christiansen, Ellen Potvin, Rodney Ames, Stanley Pyke, Gwen Gilling, Jean Cameron, Jimmy Kennedy, Stanley Rushford, Roger Pearson, and Norman Nelson of Stonington and Theresa DeMay of Gladstone. The group presented the honored guests with a purse of money as a gift.

### Personals

Mrs. Regina Bobish left Monday from a three month trip to Washington. While there he visited with his brothers in Chelan also in Seattle and with the John Rentschlers in Port Townsend. The Rentschler family are planning to come back to Michigan as Mrs. Rentschler has been confined to her bed ever since getting there and Mr. Rentschler's health hasn't been any too good. They sold their home this past spring and moved

out west planning to make it their future home.

Mrs. William Oenasic of Chicago is visiting her mother Mrs. Edna Young.

Miss Maxine Young of Detroit arrived Saturday to visit with her parents, Mr. and Mrs. Allen Young.

Mrs. E. P. Peckins of Lake View Idaho, arrived Tuesday accompanied by her brother Arthur Kniskern and wife of Sault Ste. Marie who met her at Minneapolis left Wednesday for the Soo where she will visit her brothers John and Arthur Kniskern and their families. Mrs. Peckins is the former Capitola Kniskern and was the first operator in Rapid River for the Michigan Bell Telephone Co. when their switch board was in the Young and Merrill store.

Fritz Thill of Detroit arrived Friday from Detroit, after visiting his sister, Mrs. Leslie Caswell for several days. He went to Fayette to visit his parents.

Mrs. Angela Goumont and Patsy returned Monday from Fayette where they spent two weeks visiting relatives.

Mrs. W. H. Van Dorn of Masonville was admitted to St. Francis hospital Sunday as a medical patient.

A daughter was born Thursday Sept. 5 at St. Francis hospital to Mr. and Mrs. Harry Person. This is the third child but the first girl.

Mr. and Mrs. Glenn Hamilton of Marinette, Wis., were week end guests at the C. E. Hamilton home.

Mr. and Mrs. Phil Collins and son Phillip Jr. of Detroit accompanied by Bobby and Barney Murray of Hibbing, Minn., visited Thursday at the C. E. Hamilton home, enroute from Hibbing to Detroit.

Roger Kirch arrived Saturday from Ann Arbor to spend 10 days here on business.

Adolph Miller, cheese maker of the local creamery, has sold his home in Masonville to George Olive of Gladstone. Mr. Olive has taken possession at Masonville and Mr. Miller has moved to Gladstone.

## Nahma

### Personals

Nahma, Mich.—Mr. and Mrs. Henry Ward and Mr. and Mrs. Maynard Woodward of Kalamazoo and Charles Ward of Norfolk, Va. spent several days last week visiting here with relatives.

Mr. and Mrs. Richard Bjorkman and Mr. and Mrs. Melvin recently visited points in the Copper Country including the Porcupine Mountains and Copper Harbor. On their return, Mrs. Eleanor Dausey of Iron Mountain accompanied them to Nahma to visit. They also motored to Crandon, Wis. and visited with Mr. and Mrs. Joe Nolan, former Nahma residents, who operate a restaurant in Crandon.

Mr. and Mrs. Elmer Finstrom and son Wallace of Escanaba spent Sunday at the Henry Lavigne's.

Mr. and Mrs. Bert Heric of Gwinn spent Sunday visiting here with friends and relatives.

### Officers Elected By Michigan Elks

Port Huron, (AP)—The Michigan Elks Association elected Leland L. Hamilton of Niles president at its 40th annual convention here Saturday.

The new president succeeds Albert C. Lyon of Flint.

John T. Hickmott of Kalamazoo was named vice-president at large to succeed Hamilton. Secretary Joseph M. Leonard of Saginaw and treasurer James G. Shirlaw of Battle Creek were re-elected.

District vice-presidents were elected as follows:

East, Russell F. Christie, Detroit; west, Theodore Jones, Muskegon; southwest, Donald Coon, St. Joseph; northwest, Keith Meyers, Ludington; central, Arthur Blagdon, Hillsdale; North-Central, Albert P. Miller, Big Rapids, and Upper Peninsula, William Sanders, Ishpeming.

The three-day convention ends Sunday.

## W. H. Haggerty, 93, LaBranche Resident, Claimed By Death

William H. Haggerty, 93, a resident of LaBranche for the past 66 years, died yesterday morning at his home. He had been in poor health for the past several months, but became seriously ill only four days ago, when he suffered a heart attack.

Mr. Haggerty was born Sept. 2, 1853 in the state of Virginia, and came to LaBranche in 1880, where he resided since that time. He was employed as a woods worker for many years. He has no known relatives.

The body was taken to the Boyle funeral home in Bark River, where it will be in state at noon today. Funeral services will be held at the Boyle funeral home

## Injuries Received In Fall Are Fatal To John Carlson

John Carlson, 65, of 626 South 11th street, died yesterday morning from injuries received eight weeks ago when he fell from a scaffold while repairing his house. His skull was fractured in the accident.

Mr. Carlson was born Oct. 29, 1880, in Sekramtrask, Sweden, and made his home in Cornell for more than thirty years before moving to Escanaba three years ago. He was employed in the maintenance department of the Escanaba Paper company.

Survivors include his widow and the following children: Edward and Kenneth of Cornell; Mrs. G. E. Ranguette and Leona Carlson of Muskegon; Mrs. Vernon Ledgerwood and Barton Carlson, Escanaba; Mrs. Harry Blixt of Danforth; Lloyd Carlson, sailing on the Great Lakes.

The body was taken to the Allo funeral home. Funeral arrangements are incomplete.

The body will lie in state at the funeral home beginning this evening. Funeral services will be held Wednesday afternoon at two o'clock at the funeral home with Rev. Karl J. Hammar officiating. Burial will be made in the Gardens of Rest cemetery.

## Hospital

Mrs. Arthur Lund, 626 North 20th street, is a patient at St. Francis hospital following a major operation.

Miss Lorraine Bittner is a patient at St. Francis hospital.

Forest fires cost the United States from 30 to 45 million dollars annually.

on Wednesday afternoon at three o'clock. Burial will be made in the Bark River cemetery.

## MEA POSITION IS EXPLAINED

Dr. Phillips Tells Why Stand Was Reversed On Sales Tax

Dr. A. J. Phillips of Lansing, secretary of the Michigan Education association, yesterday in Escanaba explained the position of the MEA in first opposing, then supporting an amendment to the state constitution which would provide an estimated \$89,000,000 to the school districts of the state through the diversion of a portion of the sales tax revenues to local governmental units and school districts.

The sales tax amendment will appear as Proposal No. 2 on the amendment ballot for the Nov. 5 election.

It is this reversal of opinion by the MEA board of directors which has caused considerable comment among citizens of the state, and has been attacked in editorials and elsewhere. Dr. Phillips does not believe the position of the MEA in the matter is inconsistent, and yesterday declared that "it is the one opportunity for the schools to get what they need for their operation, and for the construction of new buildings."

Dr. Phillips pointed out that in June it appeared to the MEA board that the opportunity for additional badly needed revenue for the schools through the sales tax

amendment proposal "looked slim". Sales tax revenues to the state began mounting rapidly and, although the MEA secretary said that he was opposed to "earmarking funds for special purposes" it was decided that the amendment would be supported because it was the only immediate available source to provide the amount actually needed for public education.

It was estimated by the MEA secretary that if the amendment is adopted and sales tax revenues continue high, Michigan school districts may expect a total of \$89,000,000 in revenue from that source. If the amendment fails and the legislature cooperates with anticipated appropriations for school aid, the "hoped for" total would be about \$75,000,000.

The necessity for increased school funds was stressed by Dr. Phillips, who pointed out that a Michigan department of public instruction survey shows 5,600 new class rooms needed in the state. Cost of new school buildings now badly needed would total about 94 million dollars, he added.

## Obituary

### RICHARD WOODARD

Funeral services were held yesterday at the Anderson funeral home for Richard Woodard, infant twin son of Mr. and Mrs. Benjamin Woodard. The Rev. Karl J. Hammar of Central Methodist church officiated at the rites. Burial was made in the family lot in Lakeview cemetery.

PLANT CHANGES HANDS—Shown above is the entrance and part of the buildings which figured in the \$2,000,000 purchase deal of the Munising Woods Products company by the Dearborn company of Chicago. The Munising plant is one of three Upper Peninsula factories which were sold to the Chicago concern last week. The other plants are in Marquette and Escanaba.

### Frances Rader and Benjamin Zastrow Wed Here Saturday

Munising—Miss Frances Rader, daughter of Mr. and Mrs. Frank A. Rader, 327 E. Onota street, became the bride of Gary Lee Zastrow, son of Mr. and Mrs. Benjamin L. Zastrow, 805 W. Munising Ave., at a ceremony performed Saturday afternoon, September 7, at 4:00 o'clock in the Eden Lutheran church by the Rev. Herman Larson.

The church was beautifully decorated with blue and white streamers, and the flower arrangements were of assorted gladioli, delphiniums and phlox. Love You Truly, "Liebestraum" and "Always" were played by Mrs. Evelyn Lemy at the organ as background music throughout the ceremony. "Because" was sung by Miss Janet Lezotte, accompanied by Mrs. Verna Gatiss.

Miss Ruth Rader, sister of the bride, was maid of honor, and the bridesmaids were Mrs. Jane Bowerman, Munising, Miss Edith Larson and Miss Phyllis Pangborn, both of Mackinac Island. The best man was Steve Charlevoix of Kalamazoo. Robert May of Detroit, Richard Seglund, William Cox, Sr., and Gordon Monte of Munising acted as ushers.

The bride wore a white net over satin wedding gown fashioned with a "V" neckline, caplet sleeves and fitted bodice, with a bonnet style fingertip veil with lace edging. The full skirt had a short train, trimmed with satin bows. She carried a bouquet of white mums and red roses.

The maid of honor was dressed in a formal gown of blue marquisette, fashioned with drop shoulder sleeves and wore a blue net shoulder-length veil and pink lace gloves. She carried an arm bouquet of white mums and pink roses. Misses Phyllis Pangborn and Edith Larson, two of the bridesmaids, wore pink marquisette floor length gowns, fashioned with sweetheart necklines, capped sleeves and fitted bodices. They wore long white gloves. Miss Miriam Zastrow's gown was similar to this, only in yellow.

Mrs. Jane Bowerman chose a froispun pale blue organza with fitted bodice, cap sleeves and long white gloves. Each bridesmaid carried an arm bouquet of white mums and pink roses and wore flower arrangements of white mums in their hair.

For her daughter's wedding, Mrs. Rader chose a black net crepe gown with embroidered white flowers, and a white feather hat with matching accessories. Mrs. Zastrow chose a black crepe dress with embroidered pink flowers, a black felt hat with black coque and matching accessories. She wore a corsage of pink gladioli and white mums.

A wedding supper for thirty guests was served at the bride's home at 5:30 o'clock in the evening for the bridal party and relatives of the couple. A three-tiered wedding cake decorated with pink roses and topped with white miniature doves holding two wedding rings symbolizing the double-ring ceremony, served as the centerpiece of the table. Blue and white streamers decorated the dining room.

A reception for friends and relatives was held at the home of Mr. and Mrs. B. L. Zastrow, beginning at 8:00 o'clock.

The couple left Tuesday for a wedding trip through Mackinac Island and the Lower Peninsula. For her going away outfit, the bride chose a brown suit with dusty rose blouse and matching hat with brown accessories and a corsage of rose gladioli. They will make their home in Lansing, where Mr. Zastrow will attend Michigan State college.

Both Mr. and Mrs. Zastrow are graduates of the Mather high school. Mr. Zastrow spent 33 months in the U. S. Navy, and Mrs. Zastrow was previously employed at the Peoples State Bank in the insurance department.

Out-of-town guests were: Mr. and Mrs. Charles Kuula, Iron Mountain; Chris Cooley, Escanaba; Miss Ruth Rader, Detroit; Steve Charlevoix, Kalamazoo; Mrs. Amanda Kuula, Hancock; Mrs. Harriet Parker, Grand Rapids; Miss Miriam Zastrow, Detroit; Robert May, Detroit; Mr. and Mrs.

### G-S COUNCIL MEET PLANNED

Leaders Gather Tonight At Library For Discussion

The first fall meeting of the Gladstone Girl Scout Council is to be held this evening 7:30 o'clock at the Gladstone public and school library.

Troop leaders, committeemen and all adult persons interested in Girl Scout work are invited to attend the session.

Plans for the current year will be discussed at the meeting.

Presiding will be Mrs. E. A. D'Amour, head of the local council.

### Escanabans Hurt In Auto Accident

John S. Back and Alice Back, 1510 11th avenue north, Escanaba, were injured when an auto driven by Mr. Back was forced off the highway and overturned on U. S. 2 in Harris township Sunday. Both were taken to St. Francis hospital.

The driver of the auto which forced the Back car off the concrete is not known.

Michigan State Police investigating the accident.

May, Detroit; Mr. and Mrs. Fred Herline, Saginaw; Mr. and Mrs. Sollburg, Zion, Ill.; Mr. and Mrs. Wise, Zion, Ill.; Mrs. Fletcher, Green Bay, Wis.; Mr. and Mrs. Blue, Clinton, Ill.; Mr. and Mrs. Walter Ludholtz, Negeau, and Mr. and Mrs. Royce Ludholtz, Negeau.

MUNISING BRIEFS  
Miss Alice K. Smuck, daughter of Mr. and Mrs. Willis D. Smuck has taken the position of assistant clerk at the City Hall. She is a graduate of Milan High school, Milan, Mich.

Mr. and Mrs. Elmer Caulkins of Hastings, Mich., were Munising visitors a few days last week. Mr. Caulkins was the former Woods Superintendent of the Charcoal Iron Co.

Mrs. C. B. Pangborn spent Sunday evening visiting in Marquette. Jack Richard has arrived home from Great Lakes Naval Training Center, to spend a short "boot" leave with his parents, Mr. and Mrs. Hobson Richards.

The following were guests at the home of William Niles, Sunday. Peter Hanson, Joe Webber, Mrs. Lillian Schultz, and Mrs. Lucille Gamelin, of Escanaba.

Mr. and Mrs. Robert Knox, and Mrs. John Knox, spent Sunday in Marquette. Miss Gretta Knox, who spent the week end visiting here, returned to Marquette with them.

Ted Oulette spent Sunday evening visiting in Marquette. Miss Lillian Pippo is visiting at the home of Mr. and Mrs. Lawrence Oulette.

### One Compensation Case Heard Monday

Munising—Only one compensation case was heard by deputy commissioner James W. Nolan of Ironwood, at the Alger county courthouse in Munising Monday morning.

The case was of Victor Nybeck vs. the Atlas Plywood company. The petition was to stop compensation payments because of refusal to submit to medical treatment.

No decision was reached and the case was continued.

### PAYS FINE

Munising—Theodore E. Wilkinson of Trenay, who was arrested Wednesday and arraigned on the charge of driving while under the influence of intoxicating liquor, paid the fine of \$50.00 and costs of \$9.40 on Monday morning and was released from the county jail. A soldier on furlough, he had been given 48 hours to raise the money to pay the fine and costs in lieu of spending 60 days in the Alger county jail.

### Social

Oleniczak-Wahowiak  
Miss Germaine Oleniczak, daughter of Mr. and Mrs. Michael Oleniczak, 83 Oak Hill, Manistee, Mich., and Raymond Wahowiak, son of Mr. and Mrs. John Wahowiak, 9th street and Minnesota avenue, Gladstone, were united in marriage on Saturday, Sept. 7, at 9 a. m. at St. Josephs church, Manistee, Mich. Rev. B. B. Raguska performed the ceremony.

Baskets of gladioli decorated the three altars of the church. During the ceremonies Ave Maria was sung by Mrs. Cardinal. The bride was charming in a gown of brocade taffeta styled with sweetheart neckline and three-quarter length sleeves. A long veil edged in lace was fastened by a tiara of 3 star sequins. Her only jewelry was a strand of pearls, a gift of the groom. She carried an arm bouquet of white roses and gardenias.

Celia Oleniczak, sister of the bride, was maid of honor. She wore a pink net dress fashioned with full net skirt and sweetheart neckline like that of the bride. She wore a strand of pearls, a gift of the bride and carried an arm bouquet of pink and white gladioli. The bridesmaids, Mary Oleniczak and Mrs. Richard Klett, sisters of the bride, and Mrs. Fred McCall, sister of the groom, wore blue net dresses with full net skirt like that of the maid of honor.

Marlene Dalke, niece of the bride, was the flower girl. She wore an aqua dress with yellow skirt over taffeta, a chain with tiny heart, a gift of the bride and she carried a basket of yellow gladioli and baby breath.

The bride's mother wore a black street length dress with sequins and corsage of white roses. The groom's mother wore a navy blue dress with corsage of white roses.

Fred McCall was best man and Richard Klett and Robert Klett were ushers.

Following the ceremony a wedding breakfast was served at the Knights of Columbus hall. In the evening at 6 o'clock there was a wedding supper attended by 250 guests, friends and relatives.

The couple left later for a wedding trip to Sault Ste. Marie and a number of points in Canada. For going away the bride chose a two piece gray pin-stripe suit with black accessories.

Both the bride and groom attended the school for deaf in Flint. The bride was graduated from the school in 1943 and since has been working in the AC spark-plug factory at Flint.

They will reside at Minnesota and Ninth street in Gladstone.

Out-of-town guests at the wedding were Mr. and Mrs. Francis Kersten, Chicago; Mr. and Mrs. Donald Jameson and Lillian Wines of Cleveland, Ohio; Marion Jameson of Ludington; Mr. and Mrs. Richard Klett, Jean Morrison, Robert Klett, Mr. and Mrs. Earl Klett and daughters, Evelyn and Shirley, Laverne Misner, Tom O'Connell and Alfred Caron of Flint; Donald Reinhardt of Pontiac; Mr. and Mrs. Fred Sundquist, Bay City; Mr. and Mrs. Henry Holmberg of Ludington; Sylvia Popa, Detroit; Waldo Cordons of St. Joseph; Mr. and Mrs. Fred McCall of River Rouge, and Mr. and Mrs. John Wahowiak of Gladstone.

### WCTU Will Meet This Afternoon

A meeting of the Gladstone WCTU is to be held this afternoon at 2:30 o'clock at the Free Methodist parsonage, 412 Wisconsin avenue. Attendance of all members is urged, an officer stated. Other interested persons may also attend.

### Carried Concealed Gun, Police Charge

Aino Koski was arraigned in the court of Justice of Peace Walters at Munising on a charge of carrying concealed weapons and examination in the case was set for Wednesday afternoon. He was arrested by Michigan State Police.

### ARREST DRIVER OF DEATH CAR

Matt Santaholma Denies Negligent Homicide Charge

A charge of negligent homicide has been placed against Matt Santaholma, Rock, driver of the auto which rolled over and fatally injured John Tyskey, companion of Santaholma and passenger in the auto.

Arraigned before Justice Henry Ranguette, Santaholma denied the charge and preliminary examination was set for Wednesday afternoon at 2 o'clock.

Bond was set at \$2,000 which was not furnished and Santaholma was remanded to the county jail.

The accident in which the men were involved occurred at what is known as Fraser's hill on the Whitefish Road about 10 miles north of Rapid River two weeks ago.

Michigan State Police made the accident investigation and also arrested Santaholma on the homicide charge.

### Briefly Told

Lady Macabees—A meeting of the Lady Macabees will be held this evening at 7:30 o'clock in the Eagles hall. A social will follow the meeting. Mrs. Henry Vandeweghe and Mrs. Archie Swenson are in charge. Each member may bring a friend. A large attendance is anticipated.

Sunday School—Sunday school and religious services are to be held at the Stone Anderson schoolhouse at Ensign at 8 o'clock.

WCS Meeting—The WCS of the Methodist church will meet Wednesday afternoon at the Herb Smith cottage at Schaaw Lake. Carol Cowen will report on a national convention for Methodist youth held recently in the lower peninsula. Devotions are in charge of Mrs. Wallace Cameron and the program in charge of Mrs. Dudley Ensign. All autos will meet at the church at 2 o'clock to pick up passengers.

Transferred—Pfc. Billy Carriere, U. S. Army, has been transferred from Camp Belvoir, Va., to Camp Stoneman, Calif., and he anticipates being sent overseas shortly. Billy is a son of Mr. and Mrs. Steve Carriere Sr.

WBA At Cornell—The WBA Lodge will hold their meeting tonight at the home of Mrs. Dolphus Gagner in Cornell. Members planning to attend are asked to call Mrs. Quistorf. The group will leave Gladstone at 7:30 p. m.

### CARD OF THANKS

We wish to express our heartfelt thanks to neighbors and friends for the kindness and sympathy offered us at the time of our recent bereavement, the death of our beloved wife and mother. Especially are we grateful to those persons who sent floral bouquets, offered autos for the services and to all others who by word or deed aided us at this time. The memory of these kind acts will ever remain with us.

Signed:

John Cowell and family

### City Briefs

The Misses Mary Lou and Joanne Venne left Sunday for Fond du Lac, Wis., where they attended school at St. Marys of the Springs academy. This is Joanne's first year at the academy and Mary Lou's senior year. They were accompanied to Fond du Lac by their parents, who spent the day there.

Miss Mary Waznick, Green Bay, Wis., spent the week-end visiting with her parents, Mr. and Mrs. Joseph Waznick.

Mrs. H. L. Campbell and daughter, Susan, left last night for San Francisco, Calif., where they will join Mr. Campbell, Pharmacist Mate First Class, of the regular navy stationed at Mare Island.

Mrs. Campbell's mother, Mrs. C. H. Bradley, will accompany them as far as Chicago where they will board a plane for the remainder of the trip.

First Lieutenant Jack Tumath, Army Air Corps, arrived Sunday night from the west coast to visit his parents, Mr. and Mrs. Herb Tumath. Lieut. Tumath recently returned to the United States from Okinawa.

Mr. and Mrs. Dan Russell have returned from a week's vacation spent in Ypsilanti and Lansing. While away they enjoyed a plane ride over the capital. They also visited Mrs. Russell's grandmother, who is 95 years old.

Mr. and Mrs. Elmer Sidbeck spent the week end at Garden visiting with Mr. and Mrs. Nick Tennies.

Robert Scott has returned to his home at Anderson, Ind., after spending the past week here as the guest of Mrs. June Madden at the home of her parents, Mr. and Mrs. Gerald Madden.

Mr. and Mrs. H. J. VanHala and sons, Richard and Henry, of Cleveland, Ohio, are vacationing here and visiting at the home of Mrs. Wesley Ward, sister to Mr. VanHala.

Mr. and Mrs. Loren N. Benedict of Huntington Park, Calif., were weekend guests of Mr. and Mrs. John D. Staple. The Benedicts, on a transcontinental tour, are now enroute to Marry Bay, Quebec.

Mr. and Mrs. Ernest Carlson have returned to Chicago after spending the weekend here with the Axel and John Larson families.

### KINDERGARTEN CLASS LARGE War Babies Beginning To Show In School Enrollment

Munising—World War II babies in Munising township are beginning to show their presence in the enrollment of kindergarten children of the three such pre-school grades operated in Munising township.

There are 80 children enrolled in the kindergarten in Munising and 12 at the Washington school, Tannery location making a total of 92.

The 92 pupils just starting their education in public schools are over twice the total number in the graduating class of Mather high school this year which is announced as 41.

Other figures given yesterday by Superintendent of schools, H. A. Wood, for Munising township, were: Total number enrolled for the township, 1,005 as of the second day of school, against 1,009 for last year; which showed little change in attendance. This figure will be slightly higher when tallied this week, however, with new enrollees and late vacationers returning home and going to school.

There are 434 enrolled in high school this year against 433 last year. The grade schools have a total of 571 against 576 last year.

### PRESBYTERIAN GUILD MEET

Munising—The Presbyterian Guild will meet at the home of Mrs. Andrew Symon, 317 Elm Avenue, Wednesday afternoon, September 11, at 2:30 o'clock. Mrs. Symon and Mrs. Brandt Sr. will be hostesses.

### Former Munising Resident Dies In Detroit Sunday

Munising—Charles R. Ames, age 52 of Detroit, passed away at 1:30 o'clock Sunday afternoon, in the Marine Hospital, Detroit. He had been ill for about a year.

He was born in 1894 in Munising, and moved to Detroit about three years ago.

Surviving are his wife, formerly Pearl Robinson of this city; one daughter Muriel, Detroit; two sons, Charles Jr., with the Army of Occupation, in Europe; George, Detroit; two sisters, Mrs. Lloyd Wilfong, and Mrs. Charles Ketter, Medesto, Calif.; and four brothers, Robert and Henry, Munising, and Reuben and David E., Medesto, Calif.

The funeral arrangements are incomplete pending the arrival of the body from Detroit.

Mr. Ames was a World War I veteran, and was formerly a barber in Munising. Of late, he was employed on the Great Lakes ship-ping.

### Munising's Pollen Count Reaches 204

Munising—Munising's pollen count went up to 204 on Thursday, September 5 it was announced by Lewis J. Mervin, secretary of the Munising Chamber of Commerce yesterday. That date is the last reported day received from Houghton by the Munising office.

The report of the other days for the week period is as follows: August 30, 7; August 31, 29; September 1, 7; September 2, 29; September 3, 29; September 4, 183; September 5, 204.

The bride wore a white wedding gown of jersey net and taffeta with a tiara of ornamental pearls holding her finger-tip veil in place. She carried a bouquet of white roses and chrysanthemums.

The bridesmaid wore a formal satin gown of blue and silver. Her corsage and head band were of white chrysanthemums.

Following the ceremony, a wedding breakfast was served to immediate relatives at the home of the bride's mother. The bride cut the three tiered wedding cake, which was trimmed with candy roses.

A reception was given Saturday evening at the Eben hall by the parents of the groom after which the newlyweds left on a week's wedding trip to the Copper Country. On their return, they will make their home at the Pannanen farm, near Chatham.

Carl Bark has left for Albion, where he will attend the Albion College.

Mr. and Mrs. Harry Becker and daughter Carol of Sault Ste. Marie spent the week end visiting friends and relatives here.

### POLICE SEEK STOLEN CAR

Chandler Auto Taken From In Front Of Home Here

Munising—Mrs. Florence Chandler has reported to the Munising city police that her car, a 1940 Hudson deluxe coupe, was taken from in front of her home at 831 West Munising avenue, late Sunday night or early Monday morning.

Mrs. Chandler said the automobile was driven away sometime after 11 p. m. Sunday. She had left the keys in the car. An extra wheel and new tire and tube were in the back seat.

The police have notified the state police and sheriff's department of the theft and are following several clues and believe they will have the car and thief in custody within a short time.

### Jean LaFave Becomes Bride Of Charles Paananen Saturday

Munising—Miss Jean Marie LaFave, daughter of Mrs. Elizabeth LaFave, 107 Jewell Street, became the bride of Charles H. Paananen, son of Mr. and Mrs. Nick Paananen, of Chatham, at a nuptial high mass with a double ring ceremony, Saturday morning at 8:00 o'clock in the Sacred Heart church, with the Rev. Father O. J. LaMothe officiating.

Miss Dorothy LaFave and Robert LaFave, sister and brother of the bride, were bridesmaid and best man.

The bride wore a white wedding gown of jersey net and taffeta with a tiara of ornamental pearls holding her finger-tip veil in place. She carried a bouquet of white roses and chrysanthemums.

The bridesmaid wore a formal satin gown of blue and silver. Her corsage and head band were of white chrysanthemums.

Following the ceremony, a wedding breakfast was served to immediate relatives at the home of the bride's mother. The bride cut the three tiered wedding cake, which was trimmed with candy roses.

A reception for friends and relatives was held at the home of Mr. and Mrs. B. L. Zastrow, beginning at 8:00 o'clock.

The couple left Tuesday for a wedding trip through Mackinac Island and the Lower Peninsula. For her going away outfit, the bride chose a brown suit with dusty rose blouse and matching hat with brown accessories and a corsage of rose gladioli. They will make their home in Lansing, where Mr. Zastrow will attend Michigan State college.

Both Mr. and Mrs. Zastrow are graduates of the Mather high school. Mr. Zastrow spent 33 months in the U. S. Navy, and Mrs. Zastrow was previously employed at the Peoples State Bank in the insurance department.

Out-of-town guests were: Mr. and Mrs. Charles Kuula, Iron Mountain; Chris Cooley, Escanaba; Miss Ruth Rader, Detroit; Steve Charlevoix, Kalamazoo; Mrs. Amanda Kuula, Hancock; Mrs. Harriet Parker, Grand Rapids; Miss Miriam Zastrow, Detroit; Robert May, Detroit; Mr. and Mrs.

Carl Bark has left for Albion, where he will attend the Albion College.

Mr. and Mrs. Harry Becker and daughter Carol of Sault Ste. Marie spent the week end visiting friends and relatives here.

## Was Unable To Unload Cargo Sunday Afternoon

The Robert J. Paisley, of the Paisley Steamship Company, Cleveland, which was grounded for nearly three days in the local harbor, was finally able to unload its cargo of several thousand tons of coal at the Girvin Coal and Dock Company yards and then proceed on its way to some shore port where repair facilities are available.

What actually happened to cause the craft to spring a leak was not revealed. Investigation of the port bottom in the vicinity of the mishap failed to reveal what could have happened to cause it.

The Lighter Resolute arrived in the harbor late Saturday night and several hundred tons of coal were loaded onto it. This lightened the coal ship enough so that it was able to pull away from its position and maneuver to the docks and was able to unload and then proceed on its way.

The ship was grounded Friday morning when the loaded boat was about to come to position alongside of the dock. In the position in which it was held fast the stern of the craft was but a few feet from the channel used by the Ann Arbor ferry in backing up to its dock. Ferry ships were able to come and go without serious inconvenience, although it was at first feared that bigger ships of the company would be unable to make the necessary move within the harbor.

The ship got on its way about 6 o'clock Sunday evening.

# Grade School Boys Will Play Soccer

## Boys of the fifth and sixth grades of Lincoln school will play boys of the same age groups of Central school in a game of soccer at the Central school grounds at 4 o'clock this afternoon.

This is the first soccer game this season to be played under the direction of T. H. Reque, recreational director.

Other games will be played between 12-year-old groups throughout the fall season.

An early superstition associated cucumbers with Venus. To dream of cucumbers meant falling in love almost immediately.

# City Briefs

Mr. and Mrs. S. M. Ennis and children, of Newberry, spent the week end here at the Emmet McNamara home.

Mr. and Mrs. Robert Knight of Toronto and Mr. and Mrs. William Peters of Detroit arrived here Monday for a visit at the Ira Crawford home. Mrs. Knight and Mrs. Peters are sisters of Mrs. Crawford.

Mr. and Mrs. Earl Seller of Ferndale, Mich., announce the adoption of a daughter, Marilyn Anne, who was born June 13, 1940. Mrs. Seller is the former Helen Gay of this city.

Fred W. Heltman and Edwin J. Thompson have left for Chicago where they will spend a few days on business.

Mr. and Mrs. Maurice Pillion have left for their home in Windsor Ont., after spending the past two weeks at the home of Mr. and Mrs. Fred Norton and Mrs. William Taylor. Mrs. Pillion is a niece of Mrs. Taylor and Mrs. Norton.

Mr. and Mrs. Thomas Sharkey of Detroit are visiting here with Mrs. Sharkey's uncle, Angus McIntyre. Mr. Sharkey is enjoying fishing on Indian Lake.

Mrs. Ray Larsen, accompanied by her son, Jerry Larsen, and Mrs. Harold Larsen, have left for Lansing and Detroit where they will reside for the winter.

Mr. and Mrs. Louis Miller and Mr. and Mrs. Denison of Saginaw visited at the home of Mrs. Ada Mercure last week.

Miss Flora Chisholm of Virginia City, Minn., a teacher in the city schools, and her sister, Mrs. Frank Paffel of Spooner, Wis., nieces of Mrs. John I. Bellaire, spent Sunday as guests of the Bellaire at their home on Garden avenue. They were accompanied by a friend, Mrs. Lou Facet of Duluth, Minn.

Recent visitors at the Charles Bergman home were: Mr. and Mrs. Charles Moore of Port Huron, Mr. and Mrs. Charles Pulman and son, of Lindonville, N. Y., and Mr. and Mrs. J. H. Buckland of Grand Marais.

A. F. Johnson of Ironwood is visiting here at the home of his niece, Mrs. Ada Mercure. Mr. Johnson is a former resident of this city.

Mrs. Neil Reese and two children have arrived here from Ishpeming after spending some time there with relatives. The Reeses are making their home at 134 South Mackinac avenue.

Paul Nessman has left for Percy Jones convalescent hospital, Fort

# J. O. CARLSON PASSES AWAY

## Had Resided In City For Nearly Sixty Years

John O. Carlson, 73, resident of Manistique for the past 58 years, passed away at his home Sunday evening following several months' illness.

Mr. Carlson was born in Kalmar, Sweden, on February 4, 1873 and came to this country with his parents in 1888. He has resided in Manistique continuously since then, and in 1904 was married to Anna Anderson. He was employed at the Julius Larson market for 45 years, retiring about six years ago when the firm was dissolved. He was a member of Zion Lutheran church.

Surviving him are his widow and the following children: five daughters, Mrs. Dale Drum, of Morton, Ill.; Mrs. Matt Strom, Mrs. Basil DeHut, the Misses Lillie and May Carlson, all of Manistique; and three sons, Mauritz, Carl and James, of Manistique. There are also six grandchildren.

Funeral services will be held Wednesday afternoon at 2:30 o'clock at the Kefauver and Jackson funeral home. The services will be conducted by the Rev. Gustave A. Herbert and burial will be in Fairview cemetery.

# Fords Clinch Championship In Sunday Finals

The Ford team won the city softball championship in the final playoff here Sunday afternoon, winning over the Has Beens by a score of 7 to 3.

The Fords remained undefeated through the second half of the season winning six straight, while the Has Beens, runners up, won five games and lost one.

Batteries for the winners in Sunday's game were Jones and Lesica; for the Has Beens, Larion and Ek Dahl. Game officials were P. K. Tuffnell and Martin N. Anderson.

Custer, after spending several days here visiting with his parents, Mr. and Mrs. John Nessman.

# Briefly Told

**On Radio Program**—Mrs. Rose MacGillivray, formerly of Manistique was heard on the Queen for a Day radio program in Hollywood, Calif., Monday morning. Mrs. MacGillivray, now residing in California, was a member of the committee that selected the queen.

**Goodwill Club**—A regular meeting of the Goodwill club will be held Thursday afternoon at the home of Mrs. John Riley, Alger avenue. Pot luck lunch will be served.

**Rummage Sale**—The Women's society of St. Peter's Lutheran church will hold a rummage sale Sept. 13 and 14 in the Ford garage. Donations will be appreciated.

**Women's Social Club**—The Women's Social club will hold their annual party at the K. of C. hall on Wednesday evening at 6 o'clock. A large attendance is desired.

**King's Daughters**—A meeting of the King's Daughters of Bethany will be held this evening at 8 o'clock at the Bethany Baptist chapel in Gulliver.

**Royal Neighbors**—Mayflower Camp, No. 10707, Royal Neighbors of America will hold a regular meeting this evening in the I. O. O. F. hall. Deputy Margaret Jones of the Soo will be present. All members are requested to attend.

**Ladies' Aid**—The Ladies' Aid society of the Presbyterian church will meet Wednesday afternoon in the church parlors. Mrs. Bertha Cookson will be in charge of the devotions. Hostesses are Mrs. Omer Olsen and Mrs. Stanley Carlson.

**Zion Brotherhood**—The Brotherhood of the Zion Lutheran church will meet this evening at the Vern Ekstrom cottage on Indian Lake. All members are urged to be present.

# Obituary

**AUGUST JOHNSON**  
Funeral services were conducted Monday afternoon at the Morten Funeral Home for August Johnson, 86, resident of Manistique for fifty-six years, who died on Thursday following a long illness. The Rev. G. A. Herbert had charge of the services and burial was in Lakeview cemetery.

The following friends were pallbearers: Malcolm Nelson, John Peterson, Agner Gustafson, Napoleon Robare, Herman Anderson and James Lambert.

# WILL BUILD 16 HOMES IN CITY

## Priorities Granted To Walter Linderoth— Work To Start

Manistique's housing shortage will be eased to the extent of sixteen modern homes in the course of the next several months.

Priorities to construct sixteen homes for veterans have been granted Walter Linderoth who announces that construction on three of these will begin within the next thirty days.

Mr. Linderoth, more than a year ago acquired possession of many building lots that were suitable and desirable for housing purposes and had in the meantime sought the necessary permit to go ahead with construction, but has been held up by government restrictions.

With the housing situation becoming increasingly serious in Manistique, various organizations in the city got behind Linderoth in the effort to provide homes for veterans. The result is the order releasing priorities for the construction of sixteen houses in the city.

Organizations co-operating in securing government action in the matter were the Manistique-Schoolcraft Chamber of Commerce, the Rotary Club, the Lions Club, the City of Manistique and the Schoolcraft Council of Veterans Affairs.

## More Protection Against Decay Of Teeth Is Possible

Washington—Greater protection against tooth decay is now possible, latest findings on the fluorine vs. caries situation show.

That small amounts of fluorine in the drinking water help prevent caries, or tooth decay, is an old story. At least two fairly large cities are now adding fluorine to their water supplies to take advantage of its anti-caries action. But this measure was not expected to help anyone except children born in those cities after the water supply was fluorinated. Fluorine, it has been believed, only protected the teeth of persons drinking fluorinated water from birth and during the period while the teeth are developed in the jaw.

Its good effects, it has just been discovered, can be applied at considerably later ages. First and second molars and second bicuspids that are already erupted in the mouth can be protected by fluorinated drinking water if they are exposed to the fluorinated water within a short time after eruption.

This means that in cities where fluorination has been started not only the new babies and toddlers but children up to about 14 years old will have better teeth and fewer toothaches.

## India's Strikers Snarl Telegraph

Bombay, India—(AP)—India's telegraphic communications system—inadequate at its best—remained seriously crippled for many days after cessation of a paralyzing strike which lasted for three weeks.

The Indian Posts and Telegraphs Department said many lines had been left "unusable" because strike sympathizers had removed insulators, damaged insulation, removed sections of line and grounded circuits. Returning employees professed ignorance of exact location of trouble, and foot by foot inspection of several thousand miles of wires was necessary to locate and repair the damage.

During every Spanish bullfight, six bulls and about 25 horses are either wounded mortally or killed outright in the ring.

# Rich Meets Dr. Block, Formerly Of Manistique

**By PHIL RICH**  
Hole-in-the-Wall Glacier, Taku Inlet, Alaska—"Just ask for Louie of Mary Joyce's camp. He's in town, has the boat and will take you out." That's what Katherine Kuh of the Chicago Art Museum told us when we met her here at the Baranof hotel. We'd seen her in Ketchikan and she told us about "Mary's place" and the glorious scenery and glaciers.

**Couldn't Find Louie**  
However, before we could find Louie, she had seen him and Louie came to the hotel and said he was at the Union Oil float and wanted to leave at 2 o'clock to catch the tides right.

We'd just arrived in from Pack creek, were dirty, had to eat and pack, get film out and do a dozen other things, but Dean Williams stuck with us and helped us get going.

But that's the way it goes up here when you travel without schedule. People are mighty nice to you and help you a lot. We told Louie if he'd wait until 2:30 we'd try to make it, so he agreed.

**Made In Detroit**  
The boat is a 32 footer with a 75 horsepower engine and strangely enough made by the "Gray Marine Motor Co. of Detroit." It can make the 40 miles with favorable tides in three hours but it takes four hours if the tide is against you.

By the time we got all our luggage aboard there was not much room for the passengers—eight of us.

In the party were the two Mole-naar brothers just in from conquering the 18,000 foot Mt. St. Elias; four women from the public health service—a doctor, two nurses and a secretary—and Louie—nine of us packed in like sardines.

First part of the trip was rough but it soon got smoother and Louie piloted the boat around the shallow bars, so close to rocks you could nearly touch them and zig-zagged about the Taku inlet to keep off the shoals. Louie had made a late start. One of the party was an hour late and the tides were bad.

**Above The Roar**  
In the four-hour run, we talked or shouted at each other to be heard above the roar of the motor; dozed; pointed out scenic spots; changed seats to make it more comfortable. One of the Mole-naar lads used my raincoat to keep the sea spray off his back.

**Dr. Hautau's Friend**  
On the boat was Dr. Berneta Block of Juneau, who is a good friend of Dr. Emily Bautau of Midland. She has been in here three

years and says health conditions need a lot of attention. She spent some years in Lansing and worked a lot in southern Michigan and at Manistique in the Upper Peninsula.

The incidence of TB is high, something like eight times what it is in the states... the natives have about six times as much tuberculosis as the non-whites in the states and the whites twice as much as whites in the states.

There has also been an epidemic of diphtheria and Ancharage has been quarantined. Dr. Block wanted to be remembered to Dr. Hautau and sends greetings. She likes her work here. On one trip she made out the other day to an isolated spot, the weather closed down and she was stuck there. She says she delivered three babies while there... a bit off her regular duties. The nurses, too, not only instruct but actually do the work in the field to try to help the natives. They are off to Kodiak on a two or three months trip.

**No Plumbing**  
There is no privacy on a small boat like this... and four hours is a long time. The canvas cover on the top covered us about like a "panel job" in a car, only lower for headroom and the luggage, groceries and motor were at the back and that was open and you could see out back and front. Louie had imbibed a couple of beers and I wondered how long he'd hold out. Finally, without ceremony, Louie got up, flashed that bewitching smile of his and said, "I go to the back of the boat. You take it." The surprised passenger took the wheel. The inlet here was about two miles wide and all you had to do was to hold the boat on course... but the woman "pilot" was

tense until Louie had taken care of the situation and returned with that sly look in his eye and a big grin.

It was quite a trip and "Mary" met us at her dock. I call her "Mary" because no one up here calls her anything else... never Miss Joyce. It's just Mary's place or occasionally "Mary Joyce's place." Actually the place is known as "Taku lodge" after the inlet and glacier by the same name. This is pronounced like it was spelled, Tahkoo.

Later I hope to write a story about Mary, how she came here, who she was professionally and what she has done and is doing. I will also give more on the Mole-naar boys and others. Also a sketch about Louie, whose name is DeFlorian, a Tyrolean, a happy gent who looks after Mary's camp and is a jack of all trades.

## Important Band Meeting Tonight

There will be a practice of the Manistique City Band this evening at the old gymnasium at 7:30 o'clock.

Ferdinand Gorsche, band leader, in announcing the practice emphasized the desire that the practice be attended by all members of the organization because at the business meeting to be held in connection, a number of matters vital to the band's future will be taken up.

## DON FELLERS CLUB CHAMPION

U. P. Tidlist Defeats Francis Boyce In Finals

Don Feller, who won the Upper Peninsula golf championship last month, added the Escanaba golf club championship to his achievements Sunday, defeating Francis Boyce in the final match. Elmer Swanson won the consolation division.

Feller turned in a two-above-par 38 in the first round of the championship match Sunday afternoon and ended the contest with a long putt on the second hole, scoring birdies on both that and the first hole.

Juel Lee was the first flight winner, with L. Gutreuter, runner-up. James Fitzharris won the first flight consolation.

Jim Kennedy won the second flight and Gerald Cleary was runner-up. Hilmer Johnson won the second flight consolation and W. Skellenger won the beaten four division.

Joe Cleary captured the third flight with W. Peterson runner-up. H. Ehnerd won the consolation and J. Boyle the beaten four.

A. Gafner won the fourth flight and Dr. C. J. Kitchen was runner-up. Russell Owens won the consolation and Charles Harvey the beaten four.

## Irish Loom Up Big For National Title

BY CHARLES CHAMBERLAIN

South Bend, Ind., Sept. 9 (AP)—Loaded with 42 lettermen, Notre Dame is expected to make an exceptionally strong bid for the mythical national football championship this season.

With the center, quarterback and fullback positions furnishing high-caliber blocking, ball handling and passing, and power, the Irish have the talent to develop fully the T formation.

Coach Frank Leahy, returning after two years in the Navy, and his assistants, including Knute Rockne's star blocking back, Marty Brill, are drilling a squad of 80 for the season's opener at Illinois, September 28. Leahy frankly admits that this is the toughest campaign he ever encountered by Notre Dame in its 58 years on the gridiron. Although he rates Army as the outstanding team in the nation, he thinks Illinois to be almost as strong.

If the Irish can get by Illinois, boomed as a chief Western Conference contender, they will have earned recognition as a leading candidate for national honors—a reputation they will have to uphold against Pittsburgh, Purdue, Iowa, Navy, Army, Northwestern, Tulane and in the closing game of their rugged schedule, at home, against Southern California, November 30.

In the stockpile of 42 letter winners are 16 holdovers from last year, six from 1944, 11 from Leahy's once-beaten national champions of 1943 and nine from 1942. The 1943 group includes Johnny Lujack, who took over quarterback duties when Angelo Bertelli left for the service; End Paul Limont and Tackle Ziggy Czarowski.

Halfback Bob Kelly, a fine climax runner who starred in 1943 and 1944, will be more than two weeks late reporting because of his summer school studies at DePaul in Chicago.

Halfback Bob Livingstone, a 1942 climax runner, heads the oldest group of monogram winners along with a pair of powerful fullbacks, Gerry Cowhig and Corwin Clatt. Among last season's stars returning are Quarterbacks Joe Gaspella and George Ratterman, Halfback Jerry Brennan, Center Bill Walsh and Guards John Mastrangelo and Fred Royal.

Adding up the talent for the most important spots in the T offensive: Centers—Marty Wendell, who starred at Great Lakes; George Strohmeier, who played for Iowa Preflight, and Walsh; quarterbacks—Lujack, Ratterman, Gaspella and Frank Tripucka, an 18-year-old freshman from Bloomfield, N. J.; fullbacks—Veteran Jim Mello, John Panelli, Clatt and Cowhig; adept pass receivers—End Jim Martin, Frank Kosikowski and Jack Zilly; Halfbacks Livingstone, Kelly and Red Sisko; Fullbacks Clatt and Mello.

Put these combinations together and you have the making of what might become one of Notre Dame's greatest teams.

## Mirrors Reveal Tooth Brushers Cut The Corners

Chicago (AP)—By means of trick mirrors and lighting, the dental profession has obtained some accurate information on just how people brush their teeth.

Dr. Hamilton B. G. Robinson, of Ohio State University college of dentistry, reports in the Journal of the American Dental Association that although three minutes is the generally recommended time, most people clean their molars in just 67 seconds, and do it with 267.1 strokes.

The clinical study was made with 405 persons in a room fitted out with half-silvered mirror and special lights so the tooth brushers could be observed without knowing it.

Other information gleaned was that 37 percent used rotary brushing, 36 percent the cross-wise method, and 24 a vertical stroke; paste was chosen by 276, powder by 75, liquid dentifrice by 47, and plain water by six.

FOOTBALL SEASON OPENS—Ishpeming defeated Manistique, 28 to 6, in the opening game of the 1946 season at Manistique Saturday afternoon. The Hematites showed a lot of

power in running up four touchdowns and a safety against the Emeralds. Corcoran, Ishpeming left half, is scooting around right end on this play, assisted by some able blocking.

## The Sports Parade

By Ken Gunderman

If there was any upset in the opening football games of the Upper Peninsula season last weekend, it was Wakefield's 13 to 6 victory over Hancock. All other games produced anticipated results. Stambaugh took a running start in the perennial chase for U. P. honors by virtue of its decisive 34-6 victory over Negaunee. The Miners have skidded a lot since last season when Bill Jennings was the big noise on the Marquette range but Stambaugh's sparkling performance in the season's opener has really started the tongues wagging.

Ironwood also put in some good looks towards its championship inclinations by its 19-0 victory over Calumet, a team that pre-season dope indicated would be the class of the Copper Country. Incidentally, that game was witnessed by some 4,000 fans, attesting to the immense popularity of football under the stars. Ishpeming looked impressive in its 28-6 triumph at Manistique Saturday and the Hematites seem destined to cut the wide swath in the Marquette range, but the real strength of the Ishpeming team will be revealed next Saturday when Iron Mountain plays at Ishpeming.

The lid went off the football season in the U. P. last week end, but the chase for honors won't get into full gear until this coming Friday and Saturday when a full slate of games will be dished out. Gladstone, coming up with one of its most potent teams in years, will delay its debut until Sept. 21 when the Braves play at Munising. U.

## Vernon Boosts His Stick Lead To .345

Chicago, Sept. 9 (AP)—Washington's Mickey Vernon collected 14 hits in 32 trips to the plate during the week to boost his American league batting lead to .345, an eight point advantage over second-place Johnny Pesky of Boston.

While Pesky was dropping a point to .337, Boston's Ted Williams increased his hitting mark a notch to .336. The Red Sox third lester, Dom DiMaggio, was fourth in the "top ten" batting list with .324.

Trailing this foursome were George Kell of Detroit, with .323; Luke Appling, Chicago, .322; Barney McCoskey, Philadelphia, .315; Vern Stephens, St. Louis, .306; Hank Edwards, Cleveland, .305; and Joe Grace, Washington, .300.

Williams drove in one run during the week but still held the RBI leadership with 116. He added another homer to hike his production to 35, and scored six runs to hold the lead in this specialty with 136.

Edwards was ahead in triples with 13, Stan Spence of Washington raised his output of doubles by two to 42, and Pesky led in hits with 193. Cleveland's George Case still was tops in base stealing with 28 thefts.

Best pitching percentage was owned by Boston's Dave (Doc) Ferriss who won one and lost one during the week to post a record of 24-5 for .828. Cleveland's Bob Feller fanned 11 batsmen to hike his knockout mark to 301.

## Brushing Of Teeth Far From Perfect

Chicago—In spite of all the admonitions about the importance of keeping the teeth clean and how to brush them which the average American gets from early childhood on via parents, teachers, dentists and advertising, he does not do as good a job of toothbrushing as dentists advise.

This appears from a study of toothbrushing habits reported by Dr. Hamilton B. G. Robinson, of Ohio State University, college of dentistry, in the Journal of the American Dental Association.

The average American, he finds, takes about 267 strokes to brush his teeth but almost never brushes the sides next to the tongue. The crosswise method of brushing, universally condemned by dentists, is still used by one out of three persons. Time spent for brushing the teeth averages 67 seconds instead of the three minutes advised by dentists.

## SINGLE IN 9TH DEFEATS GIANTS

Philadelphia, Sept. 9 (AP)—Charley Gilbert's ninth inning single tonight gave the Philadelphia Phils a 5-4 win over the New York Giants before 11,899 fans at the only game on the major league schedule. Del Ennis hammered a three-run homer in the first frame and Pinchhitter Ernie Lombardi hit a two-run circuit clot to tie the score in the top of the ninth.

The Phils had entered the final frame sporting a 4-1 margin. But Sid Gordon nicked starter Charley Schanz for a single; Rookie Bobby Thompson, just up from Jersey City, whaled a double between center and left, then rode home on Lombardi's homer that tied the count.

In the Phils half, Andy Seminick, walked and moved to second on Emil Verban's sacrifice. Vance Dinges, batting for Schanz, drew another walk, and then Gilbert came through with his clincer blow.

Ennis' homer came in the first frame after Jones had walked O'Neill and Gilbert. Frank McCormick doubled Jim Tabor home with the Phil's other run in the third. The Giants' first score came in the fourth when Babe Young doubled and Thompson singled him across the plate.

New York . . . 000 100 003—4 10 0 Philadelphia . . . 301 000 001—5 7 0 Jones, Abernathy (7), Thompson (9) and Gladd, Cooper (9); Schanz and Seminick.

## Mather Eleven Will Go To Marquette For Saturday Game

Munising—The Mather high school football team will travel to Marquette this Saturday to play their second game of the season against the Greyhounds. This will be the first game of the season for the Marquette team. Munising lost to Newberry last Saturday by a score of 18-6.

Coach Bob Villemure of Mather high hopes to have three regulars who were unable to be in last Saturday's game, in the starting lineup against Marquette this week. They are Mazalli at fullback, Knowles at tackle and Krajewski at guard. All three suffered injuries in pre-school practice, which Villemure hopes will be improved enough to allow the boys to get in the game.

Although looking forward to having his regulars back in the line, Coach Villemure said yesterday he was well pleased with the running and play performance in the Newberry game of both Burley, substituting for Mazalli at fullback and Bovin.

Coach Villemure said that blocking wasn't as good as it could have been on Saturday and the team is going to work on that this week for improvement against the Marquette crew this Saturday.

The line score: Detroit . . . 111 000 102—6 6 0 Flint . . . 000 000 000—0 4 3 White and Swift; Fleishmann, Smith (9) and Harvey.

Chicago at Boston—Borowoy (9-8) vs. Sain (16-13).

AMERICAN LEAGUE  
Washington at Chicago—Pieretti (1-1) vs. Haynes (5-8) or Rigney (3-5).

Boston at Detroit—Ferriss (24-5) vs. Hutchinson (11-11).

Philadelphia at St. Louis—night—Fowler (9-15) vs. Fanning (3-1).

New York at Cleveland—Chandler (17-7) vs. Gromek (4-14).

## Twilight League Dinner Is Tonight

The twilight league of the Highland golf club will meet tonight as usual and after the golf matches, a turkey dinner will be served. The dinner will be held regardless of weather conditions.

James Madison was the first president of the United States to wear long trousers.

## Pro Basketball Loop Hires Piggy Lambert As New Commissioner

Chicago, Sept. 9. (AP)—Ward "Piggy" Lambert, dean of Western Conference basketball coaches before resigning his post at Purdue last January after more than 28 years service, has accepted the job of commissioner of the National basketball league.

The colorful 57-year-old coach whose Boilermakers won or shared 11 conference titles, will take over his new assignment officially in about two weeks, it was disclosed today at a meeting of club owners.

## Average Drops, But Musial Holds Top

New York, Sept. 9 (AP)—Stan Musial, hard-hitting first baseman of the St. Louis Cardinals, retained the National league's individual batting leadership during the last week although his average dropped from .369 to .365.

Including games of Sunday, Musial had rapped out 198 hits in 542 trips to the plate to enjoy a 22 point margin over runner-up Johnny Hopp of the Boston Braves.

Hopp, who a week ago trailed the Red Bird first sacker by four points, managed to collect only one safety in 27 trips at bat during the seven day span and his mark dropped to .343.

Johnny Mize, injured first baseman of the New York Giants and the loop's leading home run hitter with 22 four-masters to his credit, hung on to third place in the batting derby with .339. Mize was trailed by Dixie Walker, Brooklyn, .333; Tommy Holmes, Boston, .311; Del Ennis, Philadelphia, .310; Billy Herman, Boston and Sid Gordon, New York, .306; Ed Waitkus, Chicago, .303 and Red Schoendienst, St. Louis, .301.

Musial also continued to pace the field in runs scored, 107, hits, 198, doubles, 43 and triples, 17. Enos "Country" Slaughter of the Cards led in runs batted in, 113 and Pete Reiser of Brooklyn in stolen bases, 34, including seven steals of home.

Fireball Kirby Higbe of Brooklyn topped the hurlers with a 15 and 5 record and Schoolboy Rowe, injured righthander of Philadelphia, was second with 11 and 4.

The first academy to train Coast Guard officers was founded abroad the barkentine "Dobbin." Later, the academy was established at Curtis Bay, Md., and finally its present location, New London, Conn.

## CITY SOFTBALL MEET RESUMED

Rain Washes Out Saturday And Sunday Schedules

Rain washed out all games in the city softball tournament Saturday and Sunday, but the tournament will be resumed tonight, weather permitting, with three games at the lighted field. The program scheduled for last Saturday night will be held this evening.

Lieuegh's and Dagenais Grocers will play at seven o'clock tonight in a National league semi-final match. The Liberty Loan will oppose the Paper Mill at eight o'clock and Granada Gardens will meet White Birch at nine o'clock in American league tournament games.

Wednesday night the K of C will play the Boilermakers at seven o'clock in the other National league semi-final match. The VFW will oppose Larmays at eight o'clock Wednesday in the upper bracket semi-final of the American division and the two winners of tonight's American league games will meet at nine o'clock Wednesday in the lower bracket semi-final.

Tournament finals will be played Thursday night.

## Awards Arrive For Champions

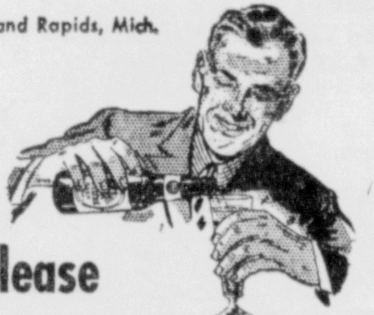

Awards for the champions of the junior baseball league and the Cadet softball league have now arrived. Players who have earned the awards may receive them at the city recreation office, George Grenholm, director, has announced.

Six states border Arkansas: Missouri, Tennessee, Mississippi, Texas, Louisiana, and Oklahoma.

## Do You Own A "Scratching" Dog?

If you own and are tired of a dog that is continually scratching, digging, rubbing, and biting himself until his skin is raw and sore, don't just feel sorry for him. The dog can't help himself. But you may. He may be clean and free and just suffering from an intense itching irritation that has centered in the nerve endings of his skin. Do as thousands of pleased dog owners are doing. At any good drug store, pet or sport shop, get a 25c package of Rex Hunters Dog Powders, and give them once a week. Note the quick improvement. One owner writes: "My female setter on Sept. 29th did not have a handful of hair on her body—all scratched and bitten off. I gave her the powders as directed. By Nov. 10th she was all haired out." Learn what they will do for your dog. Make a 25c test. (Economy size box for only \$1.00.) Important. Keep your dog clean and free with Rex Hunters Medicated Dog Soap and Pine Oil Disinfectant.

## HEAR REQUESTS FOR ROAD JOBS

### Road Commission Holds Long Session With Petitioners

Seven delegations of petitioners seeking extension or improvement of county roads in several sections of the county were heard yesterday by the Delta county road commission in an all-day session in commission offices at the county garage at Wells.

Six of the delegations sought to have the commission authorize extension of county roads to farms, cottages or cabins, and one was a request for improvement of the existing road. The requested road extensions varied from one-quarter to one-half mile in length. The commission also authorized the purchase of four light trucks.

The commission ordered an investigation of some of the requests before taking further action, in others arrangements will be made to take care of the work, while some of the petitioners were told that there may be considerable delay before work might be started. One delegation which sought extension of a road in Ford River township were advised that the commission would re-visit the construction work, on which only one unsatisfactory bid was received in response to the first advertisement.

Present at the meeting were Commissioners August Larson, of Rock, chairman, and Hilding Norstrom of Gladstone, and J. T. Sharpsteen, superintendent-engineer.

Commissioner Henry Wylie, Escanaba High school teacher, presented to the commission a written request that it meet Saturdays or evenings so that he might attend without interrupting his school work. Commissioners Larson and Norstrom set 4 p. m. as the hour for the next regular meeting, and at that time will discuss with Commissioner Wylie his request for evening or Saturday meetings.

### City Employees Of 25 Years' Service To Receive Awards

Former City Treasurer A. J. Manley and four others still in the employ of the city, William Christensen, Charles Touthak, Joseph Petersen and Belle Harvey have been informed by the Michigan Department of Health that they are to receive Edward Dunbar Rich Service awards for having completed 25 years or more of service in the field of public water supply.

The awards are to be presented at a banquet during the joint meeting of the Michigan Section of the American Water Works Association and Michigan conference on water purification at the Park Place hotel, Traverse City, on Thursday, Sept. 19.

Local recipients of the award do not plan to attend. Edward Dunbar Rich, donor of the service awards, was once chief of the Michigan Department of Health.

#### OCEANIC WASH TUB

Native women of Curacao, off the Venezuelan coast, use the ocean as the family washing tub and hang their clothes on reef prongs and cactus plants.

### Briefly Told

**Kiwanis Picnic**—Members of the Kiwanis club held their annual picnic at Rev. Karl Hammar's cottage along the Escanaba river last evening.

**V. F. W. Meeting**—A regular meeting will be held by the Veterans of Foreign Wars at their club rooms 8 o'clock Wednesday night. Lunch will be served.

**Writer Sought**—The original copy of the communication from a veteran which appeared in the Press last week has been lost and it is requested that the writer contact the Daily Press news department at his earliest convenience.

**Apply For License**—Application for a marriage license has been made at the office of the county clerk by Robert Preston and Marilee Gerou of Escanaba.

**Terminal Leave**—World War II veterans are advised by Miss Mary Constantineau, deputy county clerk, that terminal leave application forms are not obtainable at the office of the county clerk.

**Orpheus Rehearsal**—The Orpheus Choral Club will hold a rehearsal at 7 o'clock tonight in the second floor music room in the Junior High school. All members are expected to be present.

**Cabin Robbed**—A 16 mm. Univex camera, a roll of film, a quantity of tobacco and cigars were stolen from the cabin of Joe Sturgeon at Kipling, by thieves who entered the place sometime late

last week, it is reported by state police officers.

**Wrong Age**—In a recent report of the arrest and conviction of David Phalen Jr. for a game law violation, his age was incorrectly reported as 41. His age is 23.

**Royal Arch Masons**—The Delta Chapter No. 118, Royal Arch Masons, will hold a special communication Wednesday night at eight o'clock, with the state grand high priest and staff attending. The meeting will be preceded by a dinner at 6:30 o'clock. All companions are asked to attend. There will also be a regular meeting at the usual time on Thursday night, at which important business will be transacted.

### House Collides With Rail Train

Tooele, Utah (P)—This is one about a house that collided with a freight train. The frame dwelling was being transported aboard a truck-trailer, the brakes of which failed as it approached a railroad crossing. The driver turned sharply to try to avoid a crash, but one side of the house was sheared off by a box car.

### PILES Hurt Like Sin! But Now I Grin

Thousands change groans to grins. Use a doctor's formula to relieve discomfort of piles. Sent druggists by noted Thornton & Minor Clinic. Surprising QUICK palliative relief of pain, itch, irritation. Tends to soften, shrink swelling. Use doctor's way. Get tube Thornton & Minor's Rectal Ointment or Rectal Suppositories today. Follow label directions.

At all good drug stores everywhere — in Escanaba, at City Drug Stores.

### Attention Veterans

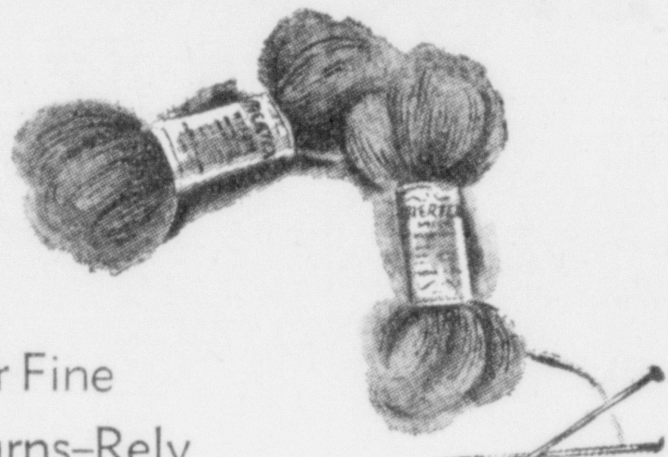

For those interested in wood-working and furniture, excellent lifetime opportunities offered by one of Grand Rapids' finest factories.

A representative will be at the U.S.E.S. office on September 11 and 12 for interviews. This is a fine opportunity to learn a trade at attractive pay rates. Rooms for single men available. Apply

### Denies Charge Of Reckless Driving; Hearing Wednesday

Rudolph Gustafson, 58, of 1412 North 20th street, pleaded not guilty to a charge of reckless driving here yesterday and will have a hearing Wednesday afternoon at four o'clock before Justice of the Peace Henry Ranguette.

Gustafson was arrested by city

police officers Sunday evening when he struck and slightly damaged a sedan by Paul Dubord, 1820 Eighth avenue north, near the intersection of 14th street and Ludington. Gustafson was driving south on 14th street and crossing the main street and Dubord was proceeding east on Ludington at the time of the mishap, police said.

Eugene Marenger, 202 Stephenson avenue, pleaded guilty to speeding in the city limits and was fined \$3 and costs in justice court Monday.

Gibbons are the most primitive of the anthropoid apes.
